NCSI

DEFENSE INTELLIGENCE AGENCY

November 29, 2007

Hosting Organization: Information Management Office, Requirements & Research
Location: The Atrium and 1st Floor, DIAC
Past Attendance: November 2006: Over 600 Attendees, 10 VIPs

The DIA Technology Exposition allows innovative companies the opportunity to display relative, emerging technologies to DIA and DNI personnel. To assist in efforts to predict, penetrate, and pre-empt threats to our national security and assist all who make and implement U.S. national security policy, fight our wars, protect our nation, and enforce our laws.
