

NKDEP

National Kidney Disease
Education Program

Steering Committee Meeting

April 26, 2002

9:00 am to 3:00 pm

Natcher Conference Center

Conference Rooms E1/E2

Agenda

Purpose

- Report the progress of NKDEP
- Discuss and seek input on the next steps for NKDEP
- Identify incentives to increase participation of groups and/or individuals in the pilot sites
- Identify potential roles and responsibilities for Steering Committee Members/Organizations with regard to pilot sites and/or the NKDEP long-term objectives.
- Share results from the African American Study of Kidney Disease and Hypertension (AASK) and information about the Chronic Renal Insufficiency Cohort Study (CRIC).

9:00-9:15 **Welcome, Introductions, and Purpose of the Meeting**

Thomas Hostetter, MD
Director, NKDEP

9:15-9:45 **Overview of NKDEP**

9:15-9:35 Progress
Mimi Lising, MPH
Associate Director, NKDEP

9:35 – 9:45 Compendium
Phyllis Payne, MPH

9:45 – 10:30 **Formative Research**

9:45 – 10:15 *Charlene Melcher, PhD*
Senior Research Analyst, NKDEP Staff

10:15 – 10:30 Questions for Discussion

1. What are some ways to convince PCP's that our message warrants use of their time?
2. What are some ways to minimize intrusions and accomplish what we need?
3. What are some models from other disease areas? What are some suggestions for system changes?

10:30 – 10:45 **Break**

10:45 – 12:00

Roundtable Reports From Steering Committee Members and Discussion

Focus Groups With Indian Health Service (IHS) Primary Care Providers

Andrew Narva, MD

Chief, Clinical Consultant for Nephrology and Internal Medicine

Indian Health Service Kidney Disease Program

Question for roundtable discussion: Are there ways that NKDEP could partner with your organization to reach shared objectives?

12:00 – 12:30

Box Lunch Working Session

12:30 – 1:00

Working Lunch

Report on the African American Study of Kidney Disease and Hypertension

Lawrence Agodoa, MD

Director of AASK, NIH

Questions and Discussion

1:00 – 1:30

Working Lunch Report on the Chronic Renal Insufficiency Cohort Study

John Kusek, MD

Director of Urologic and Renal Clinical Trials, NIH

Questions and Discussion

1:30 – 2:15

Work Group Progress and Plans

1:30 – 1:40

Patients/At-Risk Workgroup Report

Ann Compton, MSN, FNP-C

Nephrology Nurse Practitioner

American Nephrology Nurses Association

1:40 – 1:50

Plan for the Pilot Site Intervention

Phyllis Payne, MPH

Health Communications Manager, NKDEP Staff

1:50 – 2:00

Questions for Discussion

1. Are there additional contacts that you can recommend?
2. What can we offer pilot sites and how much can we ask a pilot site to do for us?
3. How can we encourage organizational or individual participation in the pilot site areas?
4. How can we recognize and reward the people/organizations that help us with the work at the pilot sites?

2:00 – 2:10

Evaluation Workgroup Report

William McClellan, MD

Medical Director, Health Services Research
