- 4. In all oral presentations or written publications concerning the **Research Project**, **Recipient** will acknowledge **Provider**'s contribution of this **Research Material** unless requested otherwise. To the extent permitted by law, **Recipient** agrees to treat in confidence, for a period of three (3) years from the date of its disclosure, any of **Provider**'s written information about this **Research Material** that is stamped "**CONFIDENTIAL**", except for information that was previously known to **Recipient** or that is or becomes publicly available or which is disclosed to **Recipient** without a confidentiality obligation. Any oral disclosures from **Provider** to **Recipient** shall be identified as being **CONFIDENTIAL** by written notice delivered to **Recipient** within thirty (30) days after the date of the oral disclosure. **Recipient** may publish or otherwise publicly disclose the results of the **Research Project**, but if **Provider** has given **CONFIDENTIAL** information to **Recipient** such public disclosure may be made only after **Provider** has had thirty (30) days to review the proposed disclosure to determine if it includes any **CONFIDENTIAL** information, except when a shortened time period under court order or the Freedom of Information Act pertains.
- 5. This **Research Material** represents a significant investment on the part of **Provider** and is considered proprietary to **Provider**. **Recipient**'s investigator therefore agrees to retain control over this **Research Material** and further agrees not to transfer the **Research Material** to other people not under her or his direct supervision without advance written approval of **Provider**. **Provider** reserves the right to distribute the **Research Material** to others and to use it for its own purposes. When the **Research Project** is completed, the **Research Material** will be disposed of, if directed by **Provider**.
- 6. This Research Material is provided as a service to the research community. IT IS BEING SUPPLIED TO RECIPIENT WITH NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Provider makes no representations that the use of the Research Material will not infringe any patent or proprietary rights of third parties.
- 7. When Provider is the PHS: Recipient shall retain title to any patent or other intellectual property rights in inventions made by its employees in the course of the Research Project. Recipient agrees not to claim, infer, or imply endorsement by the Government of the United States of America (hereinafter referred to as "Government") of the Research Project, the institution or personnel conducting the Research Project or any resulting product(s). Unless prohibited by law from doing so, Recipient agrees to hold the Government harmless and to indemnify the Government for all liabilities, demands, damages, expenses and losses arising out of Recipient's use for any purpose of the Research Material.
- 8. When **Recipient** is the **PHS**: The **PHS** shall retain title to any patent or other intellectual property rights in inventions made by its employees in the course of the **Research Project**. The **PHS** is not authorized to promise rights in advance for inventions developed under this **Agreement**. **Provider** acquires no intellectual property rights under this **MTA**, but may apply for license rights to any patentable invention that might result from this **Research Project**. It is the intention of **PHS** that **Provider** not be liable to **PHS** for any claims or damages arising from **PHS**'s use of the **Research Material**; however, no indemnification is provided or intended.
- 9. The undersigned **Provider** and **Recipient** expressly certify and affirm that the contents of any statements made herein are truthful and accurate.
