ADDRESS RETURN REQUESTED

UB MINI-MEDICAL SCHOOL ALUMNI ASSOCIATION

Dear Mini-Medical School Graduate:

We would like to show our appreciation for your past support by offering you this invitation to join the new and exciting:

UB MINI-MEDICAL SCHOOL ALUMNI ASSOCIATION

As an addition to our Mini-Medical School public service initiative, we have arranged a variety of membership benefits that serve the interests of our graduates. For a modest annual fee, you can attend the Annual Distinguished Mini-Medical School Lecture, participate in guided tours of the medical school, register for future programs at discounted fees, and much more. Let's continue our mutually productive relationship.

Read the accompanying list of benefits and decide today to become an alumni member.

Sincerely,

Harry Sultz, D.D.S., M.P.H.
Professor and Director

Alan M. Reynard, Ph.D.
Professor and Associate Director

ALUMNI ASSOCIATION MEMBERSHIP BENEFITS INCLUDE:

- A 'for Alumni Association members only' invitation to the Annual Distinguished Mini-Medical School Lecture and Reception. Attend the post-lecture reception and chat with the Mini-Med volunteer faculty.
- An annual subscription to **THE BUFFALO PHYSICIAN**. Four issues per year allow you to read about the latest research advances of the faculty, news of the medical school, activities and residency placements of the medical students, and much more.
- A 20% discount on Mini-Med School course registration fees during your membership year.
- Small group guided tours of:
 - ★ the Department of Anatomy's Brain Museum
 - ★ the Department of Physiology's Laboratory of Special Environments
 - ★ the Health Science Library
 - ★ the Simulated Patient Laboratory with patient demonstrations
 - ★ the Medical School Computer laboratory
- Advance announcements of forthcoming programs for early registration
- Access to Health Science Library Resources. Alumni are welcome to come into the library to read, study, and make use of the journal collection, photocopy services, and the public computer workstations. A large array of databases and full-text electronic reference books and journals may be searched via the World Wide Web at no cost.
- Membership in an E-mail based discussion group (list serve)

Join the many Mini-Medical School Alumni members today! All you have to do is fill out the membership application and send it in with your payment. Don't miss out on this unique opportunity!
