**Instructions:**

Provide the number and percent of undergraduate students that graduated in the *previous 4 years*. Enter data for the overall institution and for each participating department/school separately (examples are shown; modify and/or include others as appropriate).

**Notes:**

\* URM is defined as members of any of the following groups: Native American, African American, Hispanic American, and natives of the U.S. Pacific Islands.

<sup>1</sup> Include and identify any other categories that the institutional policies have determined to be underrepresented in biomedical or behavioral research fields.
