

## Curriculum Vitae

Rui Manuel Marques Fernandes da Costa, D.V.M., Ph.D.

**Birth:** 15<sup>th</sup> of July 1972, Guarda, Portugal

**Office:** Section on In-Vivo Neural Function  
Laboratory for Integrative Neuroscience  
NIAAA/NIH  
5625 Fishers Lane, Room TS-20D, MSC 9411  
Bethesda, MD 20892-9411  
Tel : (301) 443 1196  
Fax : (301) 480 0466  
e-mail : [costarui@mail.nih.gov](mailto:costarui@mail.nih.gov)

<http://www.niaaa.nih.gov/ResearchInformation/IntramuralResearch/AboutDICBR/LIN/IVNF/default.htm>

### Research Interests

---

#### General goal

- Integrative approach to investigate the biological basis of behavior

#### Research areas

- Molecular, cellular, and systems mechanisms of learning and memory, especially of action and skill learning, action-outcome associations, habit formation and addiction.
- Across-level approach to study cognitive and sensorimotor disorders in mouse models - PD, NF1, OCD.

#### Major Tools:

- Gene targeting in mice
- Neuronal ensemble electrophysiology in behaving mice
- Slice electrophysiology in mice
- Molecular imaging in mice
- Mouse behavioral analysis

### Education

---

1997 to 2002 - Ph.D. (September 2002) in Biomedical Sciences, GABBA Doctoral Program, University of California at Los Angeles, USA and Abel Salazar Biomedical Institute, University of Porto, Portugal

1990 to 1996 - DVM (May 1996), Faculty of Veterinary Medicine, Technical University of Lisbon, Portugal.

### Academic Positions

---

2007 to present - Adjunct Investigator of the Champalimaud Neuroscience Program at the Institute Gulbenkian Ciência, Portugal.

2006 to present - Chief, Section of In-Vivo Neural Function, Laboratory of Integrative Neuroscience, NIAAA, National Institutes of Health, MD, USA.

2002 to 2005 - Postdoctoral Fellow, Dr. Miguel Nicolelis and Dr. Sid Simon laboratories, Department of Neurobiology, Duke University Medical Center, USA

1998 to 2002 - Graduate Student, Dr. Alcino Silva's laboratory, Depts. of Neurobiology, Psychiatry and Psychology, UCLA, USA.

1997 to 2002 - Graduated Program in Basic and Applied Biology – GABBA Abel Salazar Biomedical Institute, University of Porto, Portugal.

1996 and 1997 - Guest researcher, Department of Animal Environment and Health Swedish University of Agricultural Sciences, Skara, Sweden.

**Other Positions**

---

- 1996 to 1997 - Technical Director, Aberekin Portugal  
Genetics and Nutrition in Dairy Cattle.
- 1996 - Specialty in Pathophysiology of Reproduction  
Division of Animal Selection and Reproduction  
Venda Nova, Lisbon, Portugal.

**Boards, Committees, and other Professional Services:**

---

- 2007 to present - Associate Editor, Frontiers in Integrative Neuroscience, Frontiers Research Foundation.
- 2004 to present - President and CEO (2008) of the Board of Directors of the American-Portuguese Biomedical Research Fund – APBRF, New York, USA.
- 2006 - present Member of Animal Care and Use Committee, NIAAA, NIH.
- 2006 - Member of the “Intramural Roadmap Committee”, NIH.
- 

**Honors and Awards**

---

- 2003 - Ph.D. thesis finalist of the 2003 Donald B. Lindsley Prize in Behavioral Neuroscience from the Society for Neuroscience.
- 2003 to 2005 - Philip Morris External Research Program Post-Doctoral Award, Maryland, USA.
- 2002 to 2004 - Post-Doctoral Fellowship from the Foundation for Science and Technology, Portugal.
- 2001 to 2002 - Young Investigator Award from the National Neurofibromatosis Foundation, New York, USA.
- 2001 - National Institute of Mental Health travel scholarship.
- 2001 - NF Prize for Research Ideas from the National Neurofibromatosis Foundation, New York, USA.
- 1997 to 2001 - Doctoral Fellowship from the Foundation for Science and Technology, Portugal.
- 1994 to 1995 - Erasmus Fellowship, Universitat Autònoma de Barcelona, Barcelona, Spain.
- 1993 - Waltham Prize on Animal Nutrition.

**Publications**

---

**Research papers**

**Symposia/Courses organized**

---

2008 -	Co-organizer of the workshop “Unraveling behavioral function and dysfunction with in vivo cellular imaging and manipulation strategies”, NIH, USA.
2008 -	“Movement into action”, PGCN Doctoral Program, IGC, Portugal.
2007 -	Co-organizer of the EU Science & Technology meeting: “Medicine in the 21st Century: the National Institutes of Health, Policies and Programs”, Washington DC, USA.
2007 -	Co-organizer of the Symposium “Neural Bases of Reward and Decision Making”, Instituto Gulbenkian de Ciência, Oeiras, Portugal.
2006-	Co-chair and co-organizer of the SFN Symposium “Dynamic Nature of Memory, 36 <sup>th</sup> SFN Annual Meeting. Atlanta, GA, USA.
2004 -	Co-organizer an International workshop “Introduction to Rodent Behaviour Testing”, Institute for Molecular and Cellular Biology, Portugal.
2002 to present -	Co-organizer of the Annual Neurobiology Module, GABBA Graduate Program, University of Porto, Portugal.
2003-	Co-organizer of the Symposium “Neural Function and Repair”, Oporto, Portugal
2002 -	Co-organizer of the Symposium “Memory: Integrating Molecules and Mind”, Oporto, Portugal

**Invited Lectures**

---

October 2008-	National Institute of Biological Sciences, Beijing, China.
October 2008-	International Symposium on Drug Addiction: Mechanisms and Therapeutic approaches, Kunming, China.
September 2008-	Dept. of Neurobiology, UCLA, Los Angeles, USA.
September 2008-	I Neurolatam, Buzios, Brazil, USA.
March 2008-	NIDA IRP, Baltimore, MD, USA.
March 2008-	Opening Speaker, Symposium “Memory of Mice and Men”, Hospital for Sick Children Research Institute’s Program in Neurosciences and Mental Health (NMH), Toronto, Ontario, Canada.
February 2008-	GCAP Program, NIMH, Bethesda, MD, USA.
March 2008 -	Symposium “Memory of Mice and Men”, Hospital for Sick Children Research Institute’s Program in Neurosciences and Mental Health (NMH), Toronto, Ontario, Canada.
January 2008 -	Winter Conference on Brain Research Panel: “To move, or not, to the rhythm: Physiological and pathological oscillations in cortico-basal ganglia networks”, Utah, USA.
January 2008 -	Winter Conference on Brain Research Panel: “In vivo physiology in genetic models: bridging the gene/behavior gap”, Utah, USA.
November 2007 -	Molecular and Cellular Biology Seminar Series, UC Berkeley, USA.
November 2007 -	Janelia Farms, Howard Hughes Medical Institute, USA.
May 2007 -	Keynote Speaker, Portuguese Society for Neuroscience Meeting, Ofir, Portugal
May 2007 -	Wake Forest University, Winston-Salem, NC, USA
September 2006 -	International Meeting from the Japanese Society for Animal Cell Technology, Kyoto, Japan
June 2006 -	Symposium “Reward and decision making in cortico-basal ganglia networks”, Lake Arrowhead, CA
May 2006 -	Wellcome Trust Centre for Human Genetics, University of Oxford, UK
May 2006 -	Conference “The evolution of human cognition and neuroscience: a dialogue between scientists and humanists”, Foundation Les Treilles, France

December 2005 –	Gulbenkian Science Institute, Oeiras, Portugal
July 2005 –	NIAAA, National Institutes of Health, MD, USA
May 2005 –	Dept. of Neuroscience, Mount Sinai School of Medicine, New York, USA
May 2005 –	Dept. of Neurobiology, U Mass Medical School, MA, USA
March 2005 –	Center for Learning and Memory, UT Austin, Texas, USA
March 2005 –	Center for Neural Science, New York University, New York, USA
February 2005 –	Gulbenkian Science Institute, Oeiras, Portugal
February 2005 –	Dept. of Neurobiology, Yale University Medical School, New Haven, USA
September 2004 –	Institute for Molecular Medicine, Lisbon, Portugal
February 2004 –	PBS Department, Duke University, Durham, USA
June 2002 –	University College London, London, UK
May 2002 –	Cardiff University, Cardiff, Wales, UK
September 2001 –	University of Lisbon, Lisbon, Portugal
July 2001 –	Duke University, Durham, USA

### Peer review functions

---

2006 to present -	Reviewer, National Science Foundation, USA.
2006 to present -	Member of the Jury for the Crioestaminal Award, Associação Viver a Ciência, Lisbon.
2004 to 2006 -	Member of the Grant Peer Review Panel, Philip Morris External Research Program, Maryland, USA.
2000 to present –	Referee for scientific journals such as Nature Neuroscience, Journal of Neuroscience, Biological Psychiatry, European Journal of Neuroscience, Applied Animal Behavior Science, Pharmacological Research, BMC Neuroscience, Pediatrics, Genes Brain and Behavior, Neurobiology of Learning and Memory, Neurobiology of Aging, etc.

### Students and Fellows Mentored

---

2008 to present-	Christina Gremel, Ph.D., Oregon Health Sciences University, USA
2007 to present -	Xin Jin, Ph.D., Biomedical Eng., Shanghai Jiao Tong University, China
2007 to present -	Guohong Cui, Ph.D., The University of Texas at Austin, USA.
2006 to 2008 -	Monica Hilario, Ph.D., Columbia University/PGDB, Portugal
2007 to present -	John Burkhardt, Ph.D., Wake Forest University, NC, USA
2007 -	Elissa Gerfen, Psychology, Vanderbilt University
2006 to 2007 -	Emily Clouse, Psychology, University of Maryland
2006 to 2007 -	Michael Pham, BS Biomedical Engineering, UCSD
2006 to 2007 -	Shweta Prasad-Mulcare, BS Physics, George Washington University
2006 -	Christine White, Psychology, University of Michigan
2004 to 2005 -	Alexander Kloth, Biomedical and Electrical Engineering, Duke University
2004 -	Monica R. P. Coelho, Psychology and Neuroscience, Duke University

### Teaching Experience

---

January 2008-	Lecturer, Introduction to Neurosciences Course, PGCN, Institute Gulbenkian de Ciência, Portugal.
March 2007 -	Lecturer of the Neurosciences Course, GABBA Graduate Program, University of Porto, Portugal.
January 2007 -	Course Lecturer, Doctoral Program in Experimental Biology and Biomedicine, University of Coimbra, Portugal.
March 2006 -	Lecturer of the Neurosciences Course, GABBA Graduate Program, University of Porto, Portugal.

- January 2006 - Course Lecturer, Doctoral Program in Experimental Biology and Biomedicine, University of Coimbra, Portugal.
- May 2005 - Lecturer of the Neurosciences Course, GABBA Graduate Program, University of Porto, Portugal.
- May 2005 - Lecturer of the Neurosciences Course, Gulbenkian Doctoral Program in Biomedicine, Gulbenkian Science Institute, Portugal.
- September 2004 - Open Lecturer for the Doctoral Program in Experimental Biology and Biomedicine, University of Coimbra, Portugal.
- June 2004 - Course Lecturer - Introduction to Rodent Behaviour Testing, Institute for Molecular and Cellular Biology, IBMC, Portugal.
- May 2004 - Instructor of the Neurosciences Course, GABBA Graduate Program, University of Porto, Portugal.
- July 2003 - Course Lecturer, Mouse Behavioral Analysis Course, Cold Spring Harbor
- May 2003 - Instructor of the advanced course Integrative Neuroscience: From Molecules to Mind, GABBA Graduate Program, University of Porto, Portugal.
- July 2002 - Course Lecturer, Advanced Course: Hormone-Dependent Organization of the Brain, University of Minho, Braga, Portugal.
- July 2002 - Course Lecturer, Mouse Behavioral Analysis Course, Cold Spring Harbor Laboratory, NY, USA.
- April 2002 - Instructor, GABBA Graduate Program, University of Porto, Portugal.
- July 2000 - Assistant Instructor, Mouse Behavioral Analysis Course, Cold Spring Harbor Laboratory, NY, USA.
- February 2000 - Instructor, Learning and Memory Section, Neurobiology Course, GABBA Graduate Program, University of Porto, Portugal.
- April 2000 - Educational Conference, California Chapter of the NF Foundation, Los Angeles, CA, USA.
