

Subject: iccvam 5 year plan
Date: Monday, May 28, 2007 3:51 PM

to whom it may concern,
im writing this to show support for the acceptance of
internationally validated non-animal testing methods,
including methods for skin and eye irritation,
phototoxicity, and pyrogenicity, and to follow the
additional December 2006 recommendations of the animal
protection community. Please end the senseless loss of
animal life
