

Dr. William Stokes, Director.
NICEATM (MO EC-17), NIEHS
P.O. Box 12233
Research Triangle Park, NC 27709.

Dear William Stokes

"Report of the International Workshop on In Vitro Methods
for Assessing Acute Systemic Toxicity".

I urge you to please replace lethal dose testing
with non-animal, in vitro testing method.

We cannot continue to test on animals or
any species. It is totally unacceptable.

All creatures are valuable in God's universe.

Sincerely

Wendy.
