11/0//01 14.51 [J.01/01 NO.250

TO:

Dr. William Stokes, Director, NICEATM,

(MD EC-17), NIEHS

FAX:

919 541 0947

FROM:

Joan Mutcher

DATE:

November 8, 2001

Dear Dr. Stokes:

I implore you to immediately begin efforts to completely replace lethal dose testing with non-animal, in vitro testing methods.

It is appalling to learn that members of the human race have conducted these sadistic LD50s on these poor sentient creatures.

Thank you.
