Dr. William Stokes, Director NICEATM (MD EC-17), NIEHS P.O. Box 12233 Research Triangle Park, NC 27709

Re:

Report of the International Workshop on In Vitro Methods for Assessing Acute Systemic Toxicity:

We are among the millions of Americans who are very concerned that helpless animals are suffering and dying needlessly when there are humane, less expensive and faster tests available! Please begin to COMPLETELY remove ALL lethal dose animal-testing and replace them with In Vitro tests.

Thank you for us and the animals.

Mr. and Mrs. J. L. Denison
