Dr. William Stokes, Director
NICEATM (MD EC-17), NIEHS
P.O. Box 12233
Research Triangle Park, NC 27709
Fax: (919) 541-0947

Dear Dr. Stokes,

I am writing to ask you to please replace lethal dose testing with non-animal, in vitro testing methods. These poor animals do not need to die. Please do whatever you can to eliminate the LD50 testing.

Thank you,
Gina LaMaina
