

Society on NeuroImmune Pharmacology

15th Annual Scientific Conference

Complete conference information
available after September 15th at:
www.s-nip.org

*Riding the yellow crane, ancients have gone away,
here only the yellow crane Tower remains.*
—— Cui Hao (Tang Dynasty)

Great Wall, Beijing

Proposed Symposia

Prevention and treatment of drug
abuse and HIV in China

Global perspective on viral &
opportunistic infections of the CNS

Co-infections and other disease
processes in HIV-infection

Models for studying drug addiction,
immunity and viral infection

Basic mechanisms in drug abuse and
neuroimmune biology

Novel mechanisms in neurotoxicity
and NeuroAIDS

Immunologic & biologic obstacles to
the control of HIV

- Travel awards for Young Investigators
- Low registration fees for members
- An affordable 5-Star hotel & meeting venue at the Pearl Plaza Hotel, Wuhan
- Make plans for exciting travel to Beijing or Shanghai in conjunction with the mtg.

Sponsors for the 15th SNIP Scientific Conference include:

- National Institute on Drug Abuse/NIH, Seton Hall University, Virginia Commonwealth University & the Carol Swarts Neuroscience Laboratory/University of Nebraska Medical Center (USA)
- Wuhan CDC, Huazhong University of Science and Technology, Wuhan University & the Center for Animal Experiment (China)
