

Employee Assistance Program (EAP)

Occupational Health Services (OHS) is pleased to announce enhancements to the Employee Assistance Program (EAP). Effective this month, all NCI Frederick Government and Contractor employees and dependents may access EAP and work-life services through Business Health Services (BHS) www.bhsonline.com with the user name of **NCIF**. In addition to the continued onsite presence of Selden Cooper, BHS offers a network of more than 7,000 masters level counselors on a 24/7 basis. Legal and financial assistance is also included. Information sessions will be held on September 26th.

For more information regarding the new EAP services through BHS, see the BHS Newsletter at:

http://www.ncifcrf.gov/news/NCIF_Premier_Newsletter2.pdf or copies are available in OHS Bldg 426. and register to attend the appropriate information session below in Bldg. 549 Auditorium on Tuesday, September 26th.
