| INTERNET ASSISTED REVIEW (IAR) | |
|---|---|
| Account Creator/Delegator | The Scientific Review Administrator (SRA) creates the IAR role for the reviewer. |
| Creation/Delegation Process | The SRA sets up the create account process (if the reviewer does not have one) and adds the IAR role from the Control Center in the IAR module. |
| Role Privileges | <ul><li>Submit critiques and preliminary scores for applications to be reviewed at a meeting for which they are enabled.</li><li>If an IAR account is affiliated with an institution, the reviewer can take advantage of other Commons features such as Status.</li></ul> |
