

ACKNOWLEDGEMENTS

The NIDDK gratefully acknowledges the input of the many scientific experts in the extramural, NIH, and CDC communities who contributed to the planning, implementation, and evaluation processes of the Special Statutory Funding Program for Type 1 Diabetes Research. Grantees who responded to the survey on scientific and career outcomes of the special type 1 diabetes research grants are particularly thanked for their valuable comments and insights.

PRINCIPAL EXTRAMURAL CONTRIBUTORS

NOTE: In addition to advisory meeting participants, many extramural scientists who participated in scientific conferences and workshops contributed to the planning efforts.
