# Grants Closeout in October 2004

## Release of Commons

---

- ☐ Allow Grantees to post directly into GCM
    - Final Invention Statement (SO and PI)
    - Final Progress Report (SO or PI)
    - FSR (FSR Role)
  - ☐ Documents Posted will be Available in the Grant Folder
-

# GCM Changes

---

- ❑ GCM/GM Will be able to see Grant Folder for these documents (FSR, Final Invention Statement, and Final Progress Report)
  - ❑ GCM User will make the determination of whether the Grant is Closed or Not and this will be reflected in Commons (i.e. Close Date)
  - ❑ FSR Statuses will be changed to be the same as what the Grantee sees in Commons (Due, Pending, Accepted)
-

# GCM Impact

---

- ❑ FSR – Commons User Submits but GCM User must indicate Accepted in GCM (existing process)
  - ❑ Final Invention Statement – Commons User Submits (PI and SO), recorded as received via Yes flag. GCM User unable to change
  - ❑ Final Progress Report – Commons User submits (PI or SO), submission date recorded in GCM. GCM User unable to change date
