Telework Terms and Conditions

- I agree to perform services for the NIH as a teleworker and understand that teleworking is a work alternative that must be requested and approved by my manager prior to beginning to telework. The telework arrangement may be modified or terminated by my manager at any time when, in his/her judgment, it adversely affects service to customers or the operation of the Agency.
- I agree that my duties, obligations, responsibilities, and conditions of employment with the NIH remain unchanged, and that my salary and benefits remain unchanged and are not affected by telework.
- I agree that my work schedule, overtime compensation (if any), leave, and other terms and conditions of employment will conform to the current collective bargaining agreement or personnel policy as applicable, and meet the terms agreed upon with my manager.
- I agree to develop an effective communications strategy with my supervisor and work group including required meetings held at the NIH and will follow that approved strategy throughout my telework schedule.
- I agree that if applicable, I will establish dependent care arrangements during agreed upon work hours.
- I agree to designate a remote workspace, subject to manager approval, that is free from safety hazards and meets Agency ergonomic standards as defined on the NIH ergonomics website (see Appendix 3 and <http://www.nih.gov/od/ors/ds/ergonomics/index.html>).
- I will protect the remote worksite from hazards and danger that could affect the equipment and me.
- I understand that participation in this pilot is not an entitlement and that it may be terminated by me or my manager at any time.
- I agree to restrict use of any NIH provided equipment, software, data, and supplies which are located at my remote worksite to the sole use of conducting NIH business.
- I agree to return to the NIH any telework equipment, software, data, and supplies which were supplied by the NIH (see Appendix 2) upon my termination of telework or termination of employment.
- In the event of equipment malfunctions, I agree to notify my supervisor immediately. I understand that if a malfunction precludes me from working from my remote location, then I may be assigned other work or be asked to report to the primary office worksite.

Telework Application and Agreement

- I understand that my remote worksite is considered an extension of the NIH primary worksite, and if I am injured in the course of actually performing official duties at the telework office during the agreed upon work hours, I am governed by the provisions of the Federal Employees' Compensation Act. I understand that attending to personal comfort needs is not considered official duties. If I have a job related accident during my telecommuting hours I will report it to my supervisor immediately.
- Provided I am given 24 hours notice, I agree that the NIH may make on-site visits to my remote worksite during normally scheduled work hours, to investigate the condition and area related to any workers' compensation claim that occurred at the telework site.
- I agree to be liable for injuries to third parties and/or household members that occur at my remote worksite, and to indemnify and hold the NIH harmless regarding any such injuries.
- I agree to be responsible for the maintenance and repair of all my personal property, and I understand I should have appropriate insurance coverage.
- I agree that all products, documents, reports, and data created as a result of my work related activities are owned by the NIH, and will be properly secured and returned to the NIH as requested.
- I acknowledge that I have been supplied with and have read the NIH telework policy and will adhere to all other applicable policies and laws.
- I agree that I have read and will comply with the NIH technology guidelines on use of agency and employee equipment for the telework arrangements.
