<p><b>S. 2489/H.R. 5241</b> Lifespan Respite Care Act of 2002</p>	<p>Senate – Sen. Hillary Rodham Clinton (NY) House – Rep. James Langevin (RI)</p>	<p>Amends the Public Health Service Act to establish a program to assist family caregivers in accessing affordable and high-quality respite care.</p>	<p>Senate – Introduced on May 9, 2002, and referred to Senate HELP Committee, who proposed amendment. Placed on Senate Legislative Calendar under General Orders, July 23, 2002. No further action taken.</p>

			House – Introduced on July 26, 2002, and referred to House Energy and Commerce Committee, who referred it to Subcommittee on Health, July 29, 2002. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>MEDICAL EDUCATION</b>			
<b>S. 743</b> Medical Education Trust Fund Act of 2001	Sen. Jack Reed (RI)	Amends the Social Security Act (SSA) to add a new title XXII (Medical Education Trust Fund) establishing in the Treasury the Medical Education Trust Fund, consisting of various specified accounts.	Introduced on April 6, 2001, and referred to the Senate Finance Committee where no further action occurred. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 2178</b> All Payer Graduate Medical Education Act of 2001	Rep. Benjamin Cardin (MD)	Amends the Internal Revenue Code of 1986 and title XVIII of the Social Security Act to provide for comprehensive financing for graduate medical education.	Introduced on June 14, 2001, and referred to the Committee on Ways and Means, and in addition to the Committee on Energy and Commerce.

<b>PREVENTION</b>			
<b>S. Con. Res. 11</b>	Sen. Dianne Feinstein (CA)	A concurrent resolution expressing the sense of Congress to fully use the powers of the Federal Government to enhance the science base required to more fully develop the field of health promotion and disease prevention, and to explore how strategies can be developed to integrate lifestyle improvement programs into national policy, our health care system, schools, workplaces, families and communities.	Introduced on Feb. 14, 2001, and referred to the Senate HELP Committee. No further action was taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H. Res. 438</b>	Rep. Patrick Toomey (PA)	Expressing the sense of the House of Representatives that improving men's health through fitness and the reduction of obesity should be a priority.	Introduced in the House on June 6, 2002, and passed June 11, 2002, by a vote of 400-2.
<b>H.R. 633/S. 208</b> WISEWOMAN Expansion Act of 2001	House – Rep. Rosa DeLauro (CT) Senate – Sen. Bill Frist (TN)	A bill to reduce health care costs and promote improved health care by providing supplemental grants for additional preventive health services for women.	House – Introduced on Feb. 14, 2001, and referred to the House Committee on Energy and Commerce. Referred to the Subcommittee on

			Health, March 14, 2001. No further action taken. Senate – Introduced on Jan. 30, 2001, and referred to the Senate HELP Committee. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 2058/S. 982</b> Medicare Wellness Act	House – Rep. Sander Levin (MI) Senate – Sen. Bob Graham (FL)	A bill to promote primary and secondary health promotion and disease prevention services and activities among the elderly, to amend title XVIII of the Social Security Act to add preventive health benefits, and for other purposes.	House – Introduced on June 5, 2001, and referred to the House Committees of Energy and Commerce, and in addition to the Committees on Ways and Means, and Rules. No further action taken. Senate – Introduced on June 5, 2001, and referred to the Senate Finance Committee. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>S. 2821/H.R. 5412</b> Improved Nutrition and Physical Activity Act (IMPACT)	Senate – Sen. Bill Frist (TN) House – Rep. Mary Bono	Establishes grants to provide health services for improved nutrition,	Senate – Introduced on July 30, 2002, and referred to Senate

	(CA)	increased physical activity, obesity prevention, and for other purposes.	HELP Committee. No further action taken. House – Introduced on Sept. 19, 2002, and referred to the House Committees on Energy and Commerce, and in addition to the Committees on Agriculture, and Ways and Means. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 5306</b> Urban and Rural Disease Prevention and Health Promotion Act of 2002	Rep. Bernard Sanders (VT)	To provide assistance for the development of indoor disease prevention and health promotion centers in urban and rural areas throughout the United States.	Introduced on July 26, 2002, and referred to the House Committees on Energy and Commerce, and in addition to the Committee on Education and the Workforce. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 5659</b> Obesity Prevention Act	Rep. Michael Castle (DE)	Establishes a comprehensive program for the prevention of obesity.	Introduced on Oct. 16, 2002, and referred to the House Committees

			on Education and the Workforce, and in addition to the Committee on Energy and Commerce. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>RADIATION EXPOSURE AND COMPENSATION</b>			
<b>H.R. 1131</b> Paul Hicks Memorial Act	Rep. Tom Udall (NM)	To provide permanent appropriations to the Radiation Exposure Compensation Trust Fund to make payments under the Radiation Exposure Compensation Act (42 U.S.C. 2210 note).	Introduced on March 30, 2001, and referred to the House Committee on Appropriations. No further action taken, however refer to related bills H.R. 995 and S. 448. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 1132</b>	Rep. Tom Udall (NM)	To ensure the timely payment of benefits to eligible persons under the Radiation Exposure Compensation Act (42 U.S.C. 2210 note).	Introduced on March 30, 2001, and referred to the House Committee on Appropriations. No further action taken, however refer to related bills H.R. 995 and S. 448. When the 107 <sup>th</sup>

			Congress adjourned this measure died.
<b>S. 898/H.R. 1865</b>	Senate – Sen. Orrin Hatch (UT) House – Rep. Chris Cannon (UT)	To make technical amendments to the Radiation Exposure Compensation Act (42 U.S.C. 2210 note), and provide compensation to certain claimants under such Act.	Senate – Introduced on May 16, 2001, and referred to the Senate Judiciary Committee. No further action taken. House – Introduced on May 16, 2001, and referred to the House Committee on the Judiciary. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>S. 1438</b> Defense Reauthorization Act	Sen. Carl Levin (MI)	A bill to authorize appropriations for fiscal year 2002 for military activities of the Department of Defense, for military constructions, and for defense activities of the Department of Energy, to prescribe personnel strengths for such fiscal year for the Armed Forces.	Introduced on Sept. 19, 2001. Passed the Senate on Oct. 2, 2001, with amendment, by a vote of 99-0. Passed in the House on Oct. 17, 2001, without objection. Signed by President on Dec. 28, 2001, and became P.L. 107-107.
<b>S. 3058</b> Energy Employees Compensation Act of 2002	Sen. Jeff Bingaman (NM)	A bill to amend the Energy Employees Occupational Illness Compensation	Introduced on Oct. 4, 2002, and referred to the Senate HELP

		Program Act of 2000 to provide benefits for contractor employees of the Department of Energy who were exposed to toxic substances at Department of Energy facilities, to provide coverage under subtitle B of that Act for certain additional individuals, to establish an ombudsman and otherwise reform the assistance provided to claimants under that Act.	Committee where no further action occurred. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>RESEARCH ISSUES</b>			
<b>H. Res. 173</b>	Rep. Darrell Issa (CA)	Expresses the sense of the House of Representatives that biotechnology has been responsible for breakthroughs and achievements that have benefitted people for centuries and has contributed to increasing the quality of life for the people of the United States.	Introduced on June 20, 2001, and referred to the House Committee on Science. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H. Con. Res. 17</b>	Rep. Carolyn Maloney (NY)	Expresses support for Federal funding of pluripotent stem cell	Introduced on Jan. 30, 2001, and referred to the House Committee

		research. 	on Energy and Commerce. Subsequently referred to the Health Subcommittee on Feb. 14, 2001. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H. Res. 232</b>	Rep. John Sweeney (NY)	Establishes a Select Committee on Medical Research.	Introduced on Aug. 2, 2001, and referred to the House Rules Committee where no further action was taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 2096/S. 1349</b> Responsible Stem Cell Research Act	House - Rep. Christopher Smith (NJ) Senate – Sen. John Ensign (NV)	Provides for a National Stem Cell Donor Bank regarding qualifying human stem cells, and for the conduct and support of research using such cells.	House – Introduced on June 18, 2001, and referred to the House Energy and Commerce Committee. Subsequently referred to the Subcommittee on Health, June 18, 2001. No further action taken. Senate – Introduced on Aug. 3, 2001, and referred to the Senate HELP Committee. No further action taken.

			When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 2059/S. 723</b> Stem Cell Research Act of 2001	House – Re. Jim McDermott (WA) Senate – Sen. Arlen Specter (PA)	Amends the Public Health Service Act to provide for human embryonic stem cell generation and research.	House – Introduced on June 5, 2001, and referred to the House Committee on Energy and Commerce. Referred to the Health Subcommittee on June 18, 2001. Senate – Introduced on April 5, 2001, and referred to the Senate HELP Committee, where no further action was taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 2747</b> Stem Cell Research for Patient Benefit Act	Rep. Diana DeGette (CO)	Requires implementation of the National Institutes of Health Guidelines for Research Using Human Pluripotent Stem Cells.	Introduced on Aug. 2, 2001, and referred to the House Energy and Commerce Committee. Referred to the Health Subcommittee on Aug. 10, 2001. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.

<p><b>H.R. 1372</b> Human Cloning Research Prohibition Act</p>	<p>Rep. Cliff Stearns (FL)</p>	<p>Prohibits the expenditure of Federal funds to conduct or support research on the cloning of humans, and to express the sense of the Congress that other countries should establish substantially equivalent restrictions.</p>	<p>Introduced on April 3, 2001, and referred to the House Committees on Energy and Commerce; and Science. No further action taken. When the 107<sup>th</sup> Congress adjourned this measure died.</p>
<p><b>H.R. 1260</b> Ban Human Cloning Act</p>	<p>Rep. Brian Kearns (IN)</p>	<p>Prohibits the cloning of humans.</p>	<p>Introduced on March 28, 2001, and referred to the House Committee on the Judiciary. For further action see H.R. 1644 and H.R. 2505.</p>
<p><b>H.R. 2505/S. 790</b> Human Cloning Prohibition Act of 2001</p>	<p>House - Rep. Dave Weldon (FL) Senate – Sen. Sam Brownback (KS)</p>	<p>Amends title 18, United States Code, to prohibit human cloning.</p>	<p>House – Introduced on July 16, 2001, and referred to the House Committee on the Judiciary. Passed the House on July 31, 2001, and sent to the Senate. Read twice in the Senate and placed on Senate Legislative Calendar under General Orders. No further action taken. Senate – Introduced on April 26, 2001, and</p>

			referred to the Senate Judiciary Committee. On May 2, 2001, the Committee on Commerce, Science, and Transportation Subcommittee on Science Technology and Space held hearings on the bill. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 2608</b> Cloning Prohibition Act of 2001	Rep. James Greenwood (PA)	Amends the Federal Food, Drug, and Cosmetic Act to prohibit any person (including governmental entities) from: (1) using or attempting to use human somatic cell nuclear transfer technology, or the product of such technology, to initiate a pregnancy or with the intent to initiate a pregnancy; or (2) shipping, mailing, transporting, or receiving such product knowing that it is intended for such use.	Introduced on July 31, 2001, and referred to the House Energy and Commerce Committee. Passed on to the Health Subcommittee, July 31, 2001. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.

<b>H.R. 2863</b> Cell Development Research Act of 2001	Rep. Jim McDermott (WA)	Amends the Federal Food, Drug, and Cosmetic Act to provide for the establishment and maintenance of a single panel in the Food and Drug Administration to: (1) provide expert scientific advice and recommendations in the field of cell development, including advice and recommendations regarding any clinical investigation of a drug developed as a result of research in the field of embryology and any approval for marketing of such a drug; and (2) make policy recommendations	Introduced on Sept. 6, 2001, and referred to the House Committee on Energy and Commerce. Passed to the Health Subcommittee on Sept. 17, 2001, with no further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.

		with the goal of promoting research in the field of cell development. Prohibits the panel making recommendations regarding the practice of fertility medicine.	
<b>H.R. 2838</b> New Century Health Advantage Act	Rep. Juanita Millender-McDonald (CA)	Requires the Director of the National Institutes of Health to conduct or support research using pluripotent stem cells derived from human embryos that were created for the purposes of fertility treatment and were in excess of the clinical need of the individuals seeking such treatment.	Introduced on Sept. 5, 2001, and referred to the House Energy and Commerce Committee. Sent to the Health Subcommittee on Sept. 17, 2001. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 4011</b> Science of Stem Cell Research Act	Rep. Carolyn Maloney (NY)	Establishes the Stem Cell Research Board, a bipartisan commission in the legislative branch, for four years.	Introduced on March 20, 2002, and referred to the House Energy and Commerce Committee. Sent to the Health Subcommittee on April 2, 2002. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 4697</b>	Rep. Diana DeGette (CO)	Amends the Public Health	Introduced on May 9,

Human Subjects Research Protections Act of 2002		Service Act to require all human subject research conducted, supported or otherwise subject to Federal regulation to be conducted in accordance with the common rule and the vulnerable-population rules, as set forth in the Code of Federal Regulations. Defines such terms according to different regulations for human subject research subject to the Federal Food, Drug, and Cosmetic Act.	2002, and referred to the House Energy and Commerce Committee. Sent to the Health Subcommittee on May 17, 2002. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>S. 2945</b> 21 <sup>st</sup> Century Nanotechnology Research and Development Act	Sen. Ron Wyden (OR)	Authorizes appropriations for nanoscience, nanoengineering, and nanotechnology research.	Introduced on Sept. 17, 2002, and referred to the Senate Committee on Commerce, Science, and Transportation. Placed on Senate Legislative Calendar under General Orders, Nov. 20, 2002. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>SURVEILLANCE</b>			
<b>H.R. 239</b>	Rep. Barbara Lee (CA)	Amends the Public Health	Introduced on Jan. 20,

Benign Brain Tumor Cancer Registries Amendment Act		Service Act to add the collection of data on benign brain-related tumors to provisions authorizing grants to States for the operation of statewide registries (currently, statewide cancer registries).	2001, and referred to the House Energy and Commerce Committee. Sent to the Subcommittee on Health, Feb. 7, 2001. For further action, see S. 2558.
<b>S. 2558</b> Benign Brain Tumor Cancer Registries Amendment Act	Sen. Jack Reed (RI)	Amends the Public Health Service Act to add the collection of data on benign brain-related tumors to provisions authorizing grants to States for the operation of statewide registries (currently, statewide cancer registries). Defines "brain-related tumor," with respect to a primary tumor, to mean a primary tumor that is listed in the International Classification of Diseases for Oncology (commonly referred to as the ICD-O).	Introduced on May 23, 2002, and referred to the Senate HELP Committee. Passed the Senate HELP Committee without amendment by unanimous consent on Aug. 1, 2002. Passed the Senate unanimously on the same day. On Oct. 10, 2002, it was passed in the House. Signed by the President on Oct. 29, 2002, and became P.L. 107-260.
<b>H.R. 955</b> Organ Donation Enhancement Act	Rep. Jay Inslee (WA)	Amends the Public Health Service Act to provide for a National Living Organ Donor Registry for the purpose of increasing the number of transplants for	Introduced on March 8, 2001, and referred to the House Energy and Commerce Committee. Sent to the Health Subcommittee on

		recipients suitably matched to biologically unrelated individuals who are willing to be living donors of organs.	March 20, 2001, where no further action took place. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>S. 788</b> Motor Donor Act	Sen. Charles Schumer (NY)	Amends the Public Health Service Act to provide for the establishment and maintenance of a national organ and tissue donor registry (the Registry) consisting of a database of information listing individuals who have expressed an intent to be organ or tissue donors. Provides for the coordination of the Registry with State and organ and tissue registries and procurement organizations. Authorizes grants to States for the planning and implementation of State registries associated with the motor vehicle driver's license application process and for linkages with the Registry. Establishes an advisory task force on organ and tissue donation.	Introduced on April 26, 2001, and referred to the Senate HELP Committee, where no further action occurred. When the 107 <sup>th</sup> Congress adjourned this measure died.

<p><b>S. 1062</b> Donor, Outreach, Network, and Timely Exchange (DONATE) Act</p>	<p>Sen. Richard Durbin (IL)</p>	<p>Amends the Public Health Service Act to direct the Secretary of Health and Human Services, through the Health Resources and Services Administration, to establish a National Organ and Tissue Donor Registry Resource Center which shall: (1) advance the development of, and information access and exchange between, State donor registries; (2) develop registry guidelines; and (3) maintain a registry clearinghouse.</p>	<p>Introduced on June 19, 2001, and referred to the Senate HELP Committee, where no further action occurred. When the 107<sup>th</sup> Congress adjourned this measure died.</p>
<p><b>H.R. 2645</b> Motor Donor Act</p>	<p>Rep. Leonard Boswell (IA)</p>	<p>This bill is similar to S. 788.</p>	<p>Introduced on July 25, 2001. It was referred to the House Committees on Energy and Commerce; and Ways and Means. When the 107<sup>th</sup> Congress adjourned this measure died.</p>
<p><b>H.R. 4061/S. 2054</b> Nationwide Health Tracking Act of 2002</p>	<p>House – Rep. Nancy Pelosi (CA) Senate – Sen. Hillary Rodham Clinton (NY)</p>	<p>Amends the Public Health Service Act to require the Secretary of Health and Human Services, acting through the Director of the</p>	<p>House – Introduced on March 20, 2002, and referred to the House Energy and Commerce Committee. Sent to the</p>

		Centers for Disease Control and Prevention, to: (1) develop Nationwide and State Health Tracking Networks to monitor, investigate, and prevent increases in the incidence of certain chronic diseases and relevant environmental risk factors; and (2) establish within the Epidemic Intelligence Service a National Environmental Health Rapid Response Service.	Health Subcommittee on March 26, 2002. No further action taken. Senate – Introduced on March 21, 2002, and referred to the Senate HELP Committee. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>TOBACCO</b>			
<b>H. Con. Res. 122</b>	Rep. Jim Nussle (NY)	Expresses congressional encouragement for continued State legislative and educational efforts to prohibit and discourage tobacco use by children and adolescents.	Introduced on May 2, 2001, and referred to the House Energy and Commerce Committee. Sent to the Health Subcommittee on May 15, 2001. No further action. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 1043</b> FDA Tobacco Jurisdiction Act of 2001	Rep. Henry Waxman (CA)	Amends the Federal Food, Drug, and Cosmetic Act (FDCA) to give the Food and Drug Administration (FDA) jurisdiction over	Introduced on March 15, 2001, and referred to the House Energy and Commerce Committee. Sent to the

		tobacco products as drugs or devices. Declares lawful a specified Federal regulation regarding tobacco. Deems, for tobacco, an action providing appropriate protection of public health to provide a reasonable assurance of safety and effectiveness. Mandates additional restrictions on marketing, advertising, and access. Provides for model State tobacco control programs. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 1097</b> FDA Tobacco Authority Amendments Act of 2001	Rep. Greg Ganske (IA)	Amends the Federal Food, Drug, and Cosmetic Act to, among other things: (1) include "nicotine in a tobacco product" in the definition of the term "drug" and to include "a tobacco product" in the definition of the term "device;" and (2) set forth	Introduced on March 20, 2001, and referred to the House Energy and Commerce Committee. Sent to the Health Subcommittee on April 2, 2001. No further action. When the 107 <sup>th</sup> Congress adjourned this measure

		provisions for tobacco products concerning special standards for such products, warnings regarding such products, and a rule of construction regarding farmers and related entities.	died.
<b>S. 2626</b> Youth Smoking Prevention and Public Health Prevention Act	Sen. Edward Kennedy (MA)	Amends the Federal Food, Drug, and Cosmetic Act to give the Secretary of Health and Human Services, acting through the Food and Drug Administration, regulatory authority over tobacco products.	Introduced on June 14, 2002, and referred to the Senate HELP Committee. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>S. 190</b> National Youth Smoking Reduction Act	Sen. Bill Frist (TN)	Similar to S. 2626 (above), except that it was introduced a year earlier. Amends the Federal Food, Drug, and Cosmetic Act to give the Secretary of Health and Human Services regulatory authority over tobacco products.	Introduced on Jan. 25, 2001, and referred to the Senate HELP Committee where no additional action occurred. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 1044</b> Child Tobacco Use Prevention Act of 2001	Rep. Henry Waxman (CA)	Amends the Federal Food, Drug, and Cosmetic Act to give the Food and Drug Administration jurisdiction over tobacco products as drugs or devices. Mandates additional restrictions on	Introduced on March 20, 2001, and referred to the House Energy and Commerce Committee. No further action taken. When the 107 <sup>th</sup> Congress

		marketing, advertising, and access.	adjourned this measure died.
<b>H.R. 2180</b> National Youth Smoking Reduction Act	Rep. Tom Davis (VA)	Amends the Federal Food, Drug, and Cosmetic Act to give the Secretary of Health and Human Services regulatory authority over tobacco products. Prohibits a retailer selling a tobacco product to any person younger than 18 years of age. Restricts retail sales to face-to-face exchanges between retailers and consumers, except for certain mail order sales and sales from vending machine located in an adults-only facility. Prohibits targeting youth in the advertising of tobacco products.	Introduced on June 14, 2001, and referred to the House Energy and Commerce Committee. Sent to Health Subcommittee on June 15, 2001. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 1454</b>	Rep. Elton Gallegly (CA)	Prohibits the importation of bidi cigarettes (containing tobacco wrapped in temburni or tendu leaf, without a filter) into the United States.	Introduced on April 4, 2001, and referred to the House Ways and Means Committee. Sent to the Subcommittee on Trade, April 16, 2001. No further action taken.

			When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 1453</b> Smokeless Tobacco Warning Label Act	Rep. Elton Gallegly (CA)	Amends the Comprehensive Smokeless Tobacco Health Education Act of 1986 to revise smokeless tobacco product warning label requirements. Includes among alternative warning statements: (1) "Smokeless Tobacco Is Addictive"; and (2) "This Product Contains Cancer Causing Chemicals." States that the Secretary of Health and Human Services may by rule revise such required statements.	Introduced in the House on April 4, 2001, and referred to the Energy and Commerce Committee. Sent to the Health Subcommittee on April 25, 2001, where no further action occurred. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 1046</b>	Rep. Robert Andrews (NJ)	Requires anyone engaged in the retail sales of cigarette products to place such products under or behind a counter and not out on the floor of the sales facility.	Introduced on March 15, 2001, and referred to the House Committee on Energy and Commerce. Sent to the Subcommittee on Commerce, Trade, and Consumer Protection on March 22, 2001, where no further action took place. When the 107 <sup>th</sup> Congress adjourned this

			measure died.
<b>S. 854</b> Medicare, Medicaid, and MCH Tobacco Cessation Act of 2001	Sen. Richard Durbin (IL)	Amends titles V (Maternal and Child Health Services), XVIII (Medicare), and XIX (Medicaid) of the Social Security Act to provide for coverage of counseling for cessation of tobacco use under the Maternal and Child Health Services, Medicare, and Medicaid programs.	Introduced on May 9, 2001, and referred to the Senate Finance Committee. No further action taken. When the 107 <sup>th</sup> Congress adjourned this measure died.
<b>H.R. 3676</b> Medicare, Medicaid, and MCH Tobacco Use Cessation Promotion Act of 2001	Rep. Diana DeGette (CO)	Amends titles V, XVIII, and XIX of the Social Security Act to promote tobacco use cessation under the Medicare Program, the Medicaid Program, and the maternal and child health program.
