

HEALTHY BRAIN WORKSHOP ATTENDEES

I. Emotional and social predictors subgroup

Laura L. Carstensen, PhD
Stanford University

K. Ranga R. Krishnan, MD
Duke University Medical Center

Laura D. Kubzansky, PhD, MPH
Harvard School of Public Health

Brenda Penninx, PhD
Wake Forest University School of Medicine

Carol D. Ryff, PhD
University of Wisconsin

II. Demographic and social predictors subgroup

Lisa Berkman, PhD, MS
Harvard School of Public Health

Sheldon A Cohen, PhD
Carnegie Mellon University

Mary N. Haan, MPH, DrPH
University of Michigan

Thomas Glass, PhD
Johns Hopkins Bloomberg School of Public Health

Harold G. Koenig, MD
Duke University Medical Center

III. Cognitive predictors subgroup

Mary Ganguli, MD, MPH
University of Pittsburgh

Hugh C. Hendrie, MB, CHB
Indiana University School of Medicine

Anthony F. Jorm PhD, DSc
Australian National University

James A. Mortimer, PhD
University of South Florida

Evelyn L. Teng, PhD
University of Southern California

IV. Biomedical / Physiology predictors subgroup

Charles DeCarli, MD
University of California at Davis

Lindsay A. Farrer, PhD
Boston University School of Medicine

Teresa E. Seeman, PhD
UCLA School of Medicine

Burton H. Singer, PhD
Princeton University

Michael W. Weiner, MD
VA Medical Center

V. Epidemiology subgroup

John C. S. Breitner, MD, MPH
Bloomberg School of Public Health Johns Hopkins University

Monique Breteler, MD, PhD
Erasmus Medical Center Rotterdam

Lewis H. Kuller, MD
University of Pittsburgh

Robert B. Wallace, MD
College of Public Health

Philip A. Wolf, M.D.
Boston University School of Medicine

Sherry L. Willis, PhD
The Pennsylvania State University

David Bennett, MD
RUSH Presbyterian – St. Luke's Medical Center

Healthy Brain Work Group

Marilyn Albert, PhD
Massachusetts General Hospital

Kristine Yaffe, MD
San Francisco Veterans Administration Medical Center

Shari Bassuk, PhD
Harvard School of Public Health

Diana Griffith, PhD
Massachusetts General Hospital-East

Bruce Cuthbert, PhD
National Institute of Mental Health

Cheryl Kitt, PhD
National Institute of Neurologic Diseases and Stroke

Molly Wagster, PhD
National Institute on Aging
