

Hands up
Get me like me

NO MORE MR. NICE GUY

8-3-81

"Dear Chick" —

When I sent the enclosed
letter we only had 160
signatures — we enclosed
last week with 200 and
could have gotten 215 easily
— especially when Jim
Baker called from the White
House & promised help as
soon as the tax vote

was completed —

Anyway — now to get
Senate confirmation —

We'll do all we can
& I'm sure, before long
I'll be calling you

"General" instead of

"Chuck" —

Yr Ob. Servant
