Russell Senate Office Building, Room 342

Dear Arlen:

As you are probably well aware, Chick Koop, my old Children's Hospital associate as Surgeon-in-Chief for many years, has now been cleared for nomination by the President to the office of Surgeon General of the United States. This is a very happy time for all of us at Children's, and I know you join us in our pleasure.

Anything you can do to further Chick's confirmation by the Senate will be vastly appreciated by all of us.

Best regards.

Sincerely,

Richard D. Wood
Chairman of the Board
