

THE WHITE HOUSE

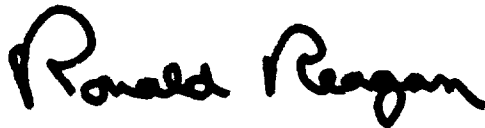

WASHINGTON

May 20, 1983

Dear Dr. Koop:

Many thanks for sending me the copy of your Report of the Surgeon General's Workshop on Children with Handicaps and Their Families. I know how proud you are of this conference and Nancy and I want to say how pleased we are to have someone with your dedication and ability helping us in the work of this Administration. God bless all you're doing.

Sincerely,

A handwritten signature in black ink that reads "Ronald Reagan". The signature is written in a cursive, slightly slanted style.

The Honorable Everett Koop
The Surgeon General
