

NIH REGIONAL SEMINAR ON PROGRAM FUNDING AND GRANTS ADMINISTRATION

HOSTED BY: MICHIGAN STATE UNIVERSITY

APRIL 11-12, 2002 -- LANSING CENTER & RADISSON HOTEL

Thursday, April 11, 2002

7:30-8:30AM

REGISTRATION/CONTINENTAL BREAKFAST

8:30-9:30AM

WELCOME & OPENING REMARKS

Dr. Lou Anna K. Simon, Provost & VP Academic Affairs and Dr. Robert J. Huggett, VP for Research & Graduate Studies

INTRODUCTION OF PROGRAM / SEMINAR FACULTY

OVERVIEW OF CURRENT ISSUES AT NIH

Regina White

Ballroom

9:30-10:45AM

SCIENTIFIC PEER REVIEW

Anthony Coelho

How understanding the review process can enhance your chances of getting funded.

Ballroom

10:45-11:00AM

BREAK

11:00-12:15PM

CONCURRENT SESSION 1

NIH Fundamentals

Grace Tuanmu and Louis De Paolo
Who's who at NIH, mechanisms of support and fundamentals of regulations, policy and extramural grant administration issues.

Ballroom 7-8

Technology Transfer: Sharing of Research Tools & Invention Reporting

George Stone and J.P. Kim
Policy and practice related to sharing of research tools and recommended practices for meeting Bayh Dole invention reporting requirements.

Room 201-202

Compliance in Action

Diane Dean
Learn about the Government's role in compliance issues, common compliance problems and how to avoid them. Hear the latest on the NIH Proactive Compliance Site Visits.

Room 203-204

12:15-1:45PM

LUNCH

KEYNOTE ADDRESS ON ELIMINATING HEALTH DISPARITIES BY DR. YVONNE MADDOX, DEPUTY DIRECTOR OF NIH

Ballroom

1:45-3:00PM

CONCURRENT SESSION 2

Open Session with Keynote Speaker

Yvonne Maddox
Question and answer period on research on eliminating health disparities or other topics of interest.

Ballroom 7-8

Understanding NIH Priorities & Funding Decisions

Dennis Dixon and Mary Ellen Colvin
How are research initiatives developed and strategic priorities implemented? Learn about the funding decision process and what goes on at Advisory Council meetings.

Room 201-202

Issues in Research Integrity

Chris Pascal & Nick Steneck
An active discussion addressing the difficult questions facing institutions and researchers in responding to research integrity expectations in biomedical research and in developing educational programs in RCR.

Room 203-204

3:00-3:15PM

BREAK

3:15-4:30PM

GRANT WRITING FOR SUCCESS

Anthony Coelho

Insights and helpful hints on the application preparation.

Ballroom

5:00-6:30PM

WELCOME RECEPTION

Radisson Hotel Ballroom

Friday, April 12, 2002

7:30-8:15AM

CONTINENTAL BREAKFAST

8:15-9:30AM

CONCURRENT SESSION 3

<p>Research Administration for Faculty Louis De Paolo & Mary Ellen Colvin Overview of the roles and responsibilities of faculty and NIH officials in extramural research administration with emphasis on project monitoring. Case studies will be used to cover issues such as change of scope, program income and equipment transfer. <i>Ballroom</i></p>	<p>Electronic Research Administration George Stone Looking forward to submitting grant applications electronically? This session will provide the status of NIH Electronic Research Administration initiatives. <i>Room 201-202</i></p>	<p>Small Business Research Funding Opportunities (SBIR/STTR) Anthony Coelho Overview of the SBIR/STTR Programs, including ways industry and academia can develop mutually-beneficial partnerships. <i>Room 203-204</i></p>
---	--	---

9:30-10:45AM

CONCURRENT SESSION 4

<p>Funding Opportunities in Bioengineering & Bioinformatics Dick Swaja Overview of bioengineering & bioinformatics research and research training opportunities. <i>Ballroom 7-8</i></p>	<p>Human Subjects in Research Elyse I. Summers Policies, laws and regulations governing human subjects in research, and how you can comply with Federal requirements. <i>Room 201-202</i></p>	<p>Research Training & Career Development Opportunities Wally Schaffer Overview of research training opportunities including: picking the right program for each stage of your career, opportunities for women and minority institutions, etc. Implementing recommendations from the National Academy of Sciences on graduate students and postdocs. <i>Room 203-204</i></p>
---	--	---

10:45-11:00AM

BREAK

11:00-12:15PM

CONCURRENT SESSION 5

<p>Conflict of Interest Sherley Mizzell Discussions of the three areas of conflict of interest: faculty; Institutional Review Boards and the increasingly problematic area of conflicts that occur at the institutional level. <i>Ballroom 7-8</i></p>	<p>Clinical Research & the Inclusion of Women and Minorities Della Hann Learn about NIH's definition of clinical research; and the law, policy & requirements for inclusion of women and minorities as participants in clinical research. <i>Room 201-202</i></p>	<p>National Research Service Awards Grace Tuanmu Key elements of research training grants, focusing on program requirements and limitations. Global policies impacting fellowship and training grants. <i>Room 203-204</i></p>
---	--	---

12:15-1:15PM

LUNCH

Ballroom

1:15-2:30PM

CONCURRENT SESSION 6
