

OSPA Web Site Survey

The National Cancer Institute's (NCI) Office of Science Planning and Assessment (OSPA) is in the process of redesigning its website. The goal of the OSPA website is to make it easier for you to gain access to a variety of NCI Science Planning, Implementation, and Assessment information available online. Your answers to the following questions will help OSPA improve access to these resources.

The survey will take about 5 minutes to complete. Your responses will be kept confidential and will not be disclosed to anyone but the individuals conducting this survey, except as otherwise required by law. Your participation is completely voluntary and you may choose to skip any questions you do not wish to answer.
