General Online Survey

Text Link: Help Us Improve This Web Site With Your Feedback

The National Cancer Institute (NCI) wants to improve the clinical trial information on this Web site to better serve your needs. Please take less than 5 minutes to answer these simple questions. Your responses are anonymous, confidential and very much appreciated.

1. What were you looking for today from Cancer.gov about clinical trials? (choose all that apply)

- general information about what clinical trials are and how they work
- information about conducting clinical trial research
- educational courses or print publications on clinical trials
- links to a specific NCI office or program
- recent research into a specific type of cancer
- recent research on a specific cancer treatment, test or approach to prevention
- information on specific cancer clinical trials
- other

2. How easy was it to find what you were looking for? If you were looking for more than one thing, please rate what you were primarily looking for.

<i>Could not find</i>	<i>Not easy</i>	<i>Somewhat easy</i>	<i>Very easy</i>
<input type="radio"/> 0	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3

3. If you were able to find it, was the information helpful? In other words, did it meet your needs?

<i>Don't know</i>	<i>Not helpful</i>	<i>Somewhat helpful</i>	<i>Very helpful</i>
<input type="radio"/> 0	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3

4. About how often do you visit Cancer.gov for clinical trials information?

- this is my first time
- a few times a year
- a few times a month
- a few times a week
- daily

5. Please indicate how important each of these clinical trial topics is to you on Cancer.gov. Rate as “very important” those topics that you consider to be essential to the Web site and rate as “not important” those topics that could be left off.

	<i>Not important</i>	<i>Somewhat important</i>	<i>Very important</i>

6. What other Web sites have you visited for clinical trials information? Please provide their names and URLs (if known).

7. How would you describe yourself? (choose all that apply)

- cancer patient
- friend or family member of a cancer patient
- oncology health professional
- other health professional
- cancer researcher
- someone concerned about the risk of cancer
- cancer patient advocate
- other

8. What is your age?

- 19 or younger
- 20-29
- 30-39
- 40-49
- 50-59
- 60-69
- 70-79
- 80 or older

9. How often do you use the Web?

- this is my first time
- a few times a year
- a few times a month
- a few times a week
- daily

10. Other comments?

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0486).
