

Planning for Progress CD Survey

The National Cancer Institute's (NCI) Planning for Progress CD was developed to make it easier for you to gain access to a variety of NCI Science Planning and Assessment documents available online and in print. Your answers to the following questions will help NCI improve access to these resources.

The survey will take about 5 minutes to complete. Your responses will be kept confidential and will not be disclosed to anyone but the individuals conducting this survey, except as otherwise required by law. Your participation is completely voluntary and you may choose to skip any questions you do not wish to answer.

1. In the past, how have you accessed NCI's priority setting documents? (Check all that apply)

- NCI Web Site
- Previous editions of the Planning for Progress CD
- Print versions I requested from the NCI Clearinghouse
- Print versions I received at a meeting or conference
- Other (please specify) _____

2. On a scale of 1 to 5, with 1 being "very user-friendly" and 5 being "not at all user-friendly," how user-friendly did you find the Planning for Progress CD?

1 2 3 4 5

Please take a moment to explain your response:

-
3. Is using the CD more convenient than finding documents on the Web?

- Yes
- No
- About the same

Please take a moment to explain your response:

-
4. How often do you think you will use this CD?

- Daily
- Weekly
- Monthly
- Few times a year
- Other (please specify) _____

5. When using the Planning for Progress CD, what type of information are you looking for?

6. Is there NCI information that was not included on this CD that would have been helpful to you? If yes, please specify.

7. What type of organization do you work for?

- Government
 - Federal
 - State
 - Local
- Medical
- Advocacy
- Other (please specify) _____

8. Which of the following best describes your profession? (Check all that apply)

- Researcher/Scientist
- Medical Practitioner/Clinician/Allied Health Professional
- Advocacy
- Public Policy
- Administrative
- Other (please specify) _____

9. Any other comments or suggestions?

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0486). Do not return the completed form to this address.
