Driving Directions to CNPP from Washington DC (North of CNPP):

Take the 14th Street Bridge south (US-1 South) into Virginia.

US-1 South becomes I-395 South. Travel 3.6 miles.

Merge onto King Street West (VA-7) via EXIT 5. Travel 0.3 miles.

At the first traffic light, turn LEFT onto Park Center Drive.

CNPP is located in the first tall building (14 floors) on the RIGHT.

Driving Directions to CNPP from the Capital Beltway (I-495, South of CNPP):

From the Capital Beltway (I-495), take the I-395 North exit, EXIT 57B. Merge onto I-395 North. Travel 4.5 miles.

Merge onto King Street West (VA-7) via EXIT 5. Travel 0.8 miles.

At the first traffic light, turn LEFT onto Park Center Drive.

CNPP is located in the first tall building (14 floors) on the RIGHT.

Parking:

Make the first right turn on Park Center Drive into the parking lot, just before the first stop sign. After collecting your parking ticket at the gate, proceed straight ahead into the underground parking lot, and park in the clearly labeled Visitor Parking area. CNPP is located on the 10th floor and is accessible using the elevator labeled 3101 Park Center Drive, *not* the elevator labeled 4401 Ford Avenue.

Public Transportation:

CNPP is not located near a Metro Station (subway). However, several busses originating at the Pentagon Metro Station (Yellow and Blue Lines) and the King Street Metro Station (Yellow Line) will transport you close to the CNPP office. For schedules, check the DC Metro website, www.MetroOpensDoors.com.
