USDA Cyber Security Awareness Month

3rd Annual Security Awareness EXPO

April 22-23, 2009

"Protect It Like Your Own"

Personally Identifiable Information (PII)

The USDA Annual Cyber Security Awareness EXPO will be held April 22-23, 2009 in the Jamie L. Whitten Building Patio Area, Washington, DC.

This event will promote security and PII awareness and will focus on preventive measures to safeguard and protect information.

- The Expo is open to all Federal Agencies Government-wide, USDA Contractors, and Vendors.

- Awareness training will be conducted during the conference.

- Guest speakers from Federal and Private sector will present on various security and PII topics.
