\*Adjustments were made in counting methodology with approval from OMB

\*\*Grants.gov does not support 5 of DHS' grant synopses

OMB's FIND policy requires agencies to post 100% of synopses at Grants.gov for programs that award discretionary grants and cooperative agreements. OMB's FY06 milestone requires agencies to post 75% of discretionary grant application packages on Grants.gov. The percentage reflects synopses with an accompanying package against total synopses. Continuations are not included in this percentage. If an agency feels continuations should be counted, please contact Stacie Boyd at OMB to discuss. Actual performance against this milestone will be measured on agencies' FY06 Q4 PMA E-Gov Scorecard. The 75% goal is a major milestone on agencies' E-Gov implementation plans.
