¹ Data for 1998 include algae and sea vegetables. The types of aquaculture products sold do not add to total sales for 1998 because the category "Other fish", used in 1998, was not a valid category in 2005.

² Data for 1998 exclude fish eggs.

³ Data for walleye classified as food fish in 1998 and as sport fish in 2005.

⁴ Data for 1998 include algae, sea vegetables, and fish eggs.
