TED STEVENS  
U.S. SENATOR FOR ALASKA  
WASHINGTON, D. C. 20510  
202-224-3004

Dear Bill;

Mary thanks for all the time you  
took to make our ideas better and  
our theme more engaging. The Clinton  
rights top set all - our BO front then  
highlighted to the highest point. (Don't  
forget our need a base for contacts' been  
done out at the Charles)  
I appreciate your willingness to  
"keep me company" - and here

Thank you for all the  
efforts to help raise funds  
for our candidates. We got 8 our  
of 10 - not bad at all!  
And, plans are already underway  
on both the gas pipeline and NWR.  
As soon as things settle down we  
will give to help you on our plans,  
I hope to see you again soon. You  
are a great and understanding friend  
My best  
Ted
