Specific Instructions

Note: You may duplicate Parts I, II, and III if more copies are needed. Number each page of each Part.

Part I. In column (a), identify the first contributor listed as no. 1 and the second contributor as no. 2, etc. Number consecutively. Show the contributor's name, address, aggregate contributions for the year, and the type of contribution (e.g., whether an individual, payroll, or noncash contribution). Report payroll contributions by listing the employer's name, address, and total amount given (unless an employee gave enough to be listed individually).

Part II. In column (a), show the number that corresponds to the contributor's number in Part I. Describe the noncash contribution fully. Report on property with readily determinable market value (i.e., market quotations for securities) by listing its fair market value (FMV). For marketable securities registered and listed on a recognized securities exchange, measure market value by the average of the highest and lowest quoted selling prices (or the average between the bona fide bid and asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When market value cannot be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution that is subject to an outstanding debt, subtract the debt from the property's fair market value.

Part III. Section 501(c)(7), (8), or (10) organizations that received contributions or bequests for use exclusively for religious, charitable, etc., purposes must complete Parts I through III for those persons whose gifts totaled more than \$1,000 during the year. Show also, in the heading of Part III, total gifts that were \$1,000 or less and were for a religious, charitable, etc., purpose. Complete this information only on the first Part III page.

If an amount is set aside for a religious, charitable, etc., purpose, show in column (d) how the amount is held (e.g., whether it is mingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.
