

How You Will Spend the Week

There will be three fun filled days loaded with activities that will help you answer the following questions:

- Why is water important?
- How much fresh water is available to plants and humans?
- What is the water cycle?
- Why is water quality important?

The activities that we will be doing to help you answer the questions above include:

- A water scavenger hunt using GPS units
- A boat from a logie the waterer
ent hike

- A camp fire with “Aqua Tunes” and much more...

So don't miss out on the **FUN**, join us at **YOUTH WATER CAMP!**

Admission Requirements

NOTE: This is NOT a recreational summer camp. To be admitted to this program you must be a registered 4-H member, entering the 5th or 6th grade with a genuine desire to learn about water through an extensive, fun-filled daily schedule. You also must have a C or higher grade average.

How to Apply

Directions to the Kentucky Leadership Center

Traveling Cumberland Parkway

Take the Nancy Exit. Traveling east, turn right (or west, turn left) onto KY 80. Go past the church and one house; then turn right at the KY Leadership Center sign. This road dead ends into KY 196 at Faubush (3 miles). Turn right onto KY 196, following it 12 miles to the Leadership Center (road makes a sharp left turn at Jabez).

Traveling Kentucky 80

Take KY 80 west from Somerset. Get on KY 196 at Nancy and stay on it until the road ends - about 17 miles from Nancy (road makes a sharp left turn at Jabez).
