TABLE OF CONTENTS

1. EXECUTIVE SUMMARY	4
2. BACKGROUND	8
Agricultural Water Security	10
Water Issues in Agriculture	11
USDA's Current Outlook	13
USDA Agency Roles	15
3. PROOF OF PERFORMANCE	18
Santa Rosa's 50 Years of Agricultural Water Reuse Experience	20
Use of Recycled Water to Irrigate Edible Crops in Monterey County, CA	24
Reclaimed Water Use on Citrus and Other Crops in Florida	26
Solving Agricultural Irrigation Issues with Reclaimed Water: The Hawaii Experience	28
4. EMERGING ISSUES AND REGULATORY APPROACHES FOR WATER REUSE	30
Emerging Issues From a Grower's Perspective	32
Are Pathogens a Concern for Recycled Water?	33
Health Issues Related to the Use of Recycled Water on Crops	35
California's Regulatory Approaches As They Pertain to Agricultural Water Reuse	38
5. CRITICAL ISSUES IN PROJECT DEVELOPMENT	40
The Adequacy of Technology to Achieve Water Quality Goals	42
Management of Public Perception	43
Economics of Water Reuse	45
Soil Salinity Issues and Farming Sustainability Related to Crop Yield and Quality	49
6. CHALLENGES AND OPPORTUNITIES	52
Which Crop for Which Place with What Water?	55
Reducing Human Exposure During Production and Understanding Exposure Risks for Consumption	57
Improving Public Perception and Acceptance	59
Management Actions to Improve Irrigation with Recycled Water	61
7. BOLD STEPS FOR USDA	64
8. TAKE HOME MESSAGE	68
Recommendation 1: Improve Education and Outreach of Recycled Water	71
Recommendation 2: Conduct Additional Research and Coordinate Existing Data	72
Recommendation 3: Set Standards and Developing a Certification Program	73
Recommendation 4: Improve the Role For USDA and Other Government Agencies	74
9. REFERENCES	76
10. CONFERENCE HANDOUTS	80

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer. July 2008
