

Journal of Extension

The official Journal for Extension Professionals,
Exclusively online

Journal of Extension is the official refereed journal for Cooperative Extension System since 1963.

Reaches thousands of readers daily and over one million pages viewed each year.

JOE Helps both READERS and Potential Author

Readers: Generating new ideas and validates existing programs.

Potential Authors: Providing an outlet for Extension professional's scholarly work.

JOE Is An Established, Respected, Refereed Journal

Papers published in JOE carry significant weight in promotion and/or tenure process in major universities.

***JOE Is Highly Valued by Extension
Directors/Administrators***

“JOE is a quality journal...Putting it on-line was a great move...It is the only publication that helps share Extension programs and ideas nationally.”
