

**Certified Wildlife Habitat Sign Order Form**

The Wildlife Habitat Council's (WHC) Certified Wildlife Habitat sign is one-sided/two-sided sign, solidly constructed from sand blasted cedar. The corporate logo is boldly displayed in color with the site name in raised letters below it. The sign is an excellent way to convey to your surrounding community and visitors the leadership that your company has taken in the commitment to a stringent standard of environmental stewardship supporting wildlife habitat enhancement and restoration.

Quantity	Size	Price	Plus S&H	Each Sign Costs
	5'6"x 12'0"	\$5,550	\$875	\$6,425
	3'0" x 6' 6"	\$1,950	\$400	\$2,350
	3'0" x 6' 6" Double Sided	\$2,950	\$400	\$3,350
	3'0"x 18"	\$550	\$100	\$650
	3'0"x 18" Double Sided	\$850	\$100	\$950

**Payment Methods**

**Check/Money Order payable to WHC (U.S. currency only)**

**Credit Card**

**Please note** – Payment must be included with your order form so that your signage request can be processed. Please return the original signed copy of your lease and order form to WHC's main office (address below). If paying by credit card, please fill in the following information.

**Visa**

Please Return Completed Forms To: WHC Site Sign, Wildlife Habitat Council, 8737 Colesville Rd., Suite 800, Silver Spring, MD 20910

## **Wildlife Habitat Council Sign Program Lease Agreement**

### **Criteria**

In order to qualify as a lessee of a Wildlife Habitat Council (WHC) sign, the Company's site must participate in, and successfully complete, WHC's certification process for the program to which they have applied. WHC requires qualification and participation in one of our programs in order to ensure the continued value and integrity of our mission, and our logo. On-site signs displaying WHC certification using the WHC logo must be leased through WHC's leasing program.

### **Sign Ownership**

WHC maintains ownership of the sign. Initial payment covers leasing of the sign only. If the site loses its certification, chooses not to recertify, or refuses participation in the program they registered for, the lease is considered expired. At the time of lease expiration, it is the responsibility of the site manager to remove the sign and either place it in storage until such time as the site is again certified, or destroy the sign at WHC's request. Site management assumes all costs for removal, storage, or destruction of the sign.

### **Shipment**

All charges related to shipping and handling are to be paid by the site. Shipping and handling costs can be found on the Certified Wildlife Habitat Sign Order Form, and are limited to sites within the continental United States. Please obtain a shipping quote from WHC before ordering for delivery outside of the continental United States.

### **Installation and Care of the Sign**

The site will follow the guidelines for installation and care of the sign that were enclosed with the attached order form and this lease agreement. The site is responsible for obtaining any and all required permits before installing the sign.

### **Design**

The sign will be customized to include the site name, corporate logo, certification statement, and the WHC logo. The signs are fabricated from two (2) inch thick cedar, and the logo's and lettering are in relief, created by sandblasting the wood. Please see the order form for available sizes. Custom sizes may be available upon request.

---

I have read and understand the above information, and I agree to comply with the above criteria. I understand and agree that the initial payment is made for the lease of the sign and that if WHC certification is not maintained, the sign will be removed from the site and placed in storage until that time when the site is again certified or the sign will be destroyed if the site is no longer participating in the WHC Wildlife Habitat Program. I understand that my site is responsible for shipment costs and maintenance of the sign.
