

POSITION ANNOUNCEMENT 2009 MARKETING/ENGINEERING INTERNSHIPS

NCAT is currently looking for two Marketing/Engineering Interns to work in our Butte, Montana office. One intern will work with NCAT's Energy Services team and the other will work with NCAT's Computer Services and Climate Change teams.

Qualifications: The successful candidates will have at least two years of college-level coursework and/or experience in engineering, computer science, business or marketing. The interns must have very good communication skills including a high level of research and computer skills.

Opportunities: These internships are an opportunity to work with professional staff on national and state projects and pay \$9.00 per hour. NCAT will work with the students to develop a part-time schedule that fits with his/her academic schedules. Successful students may continue through the school year and be eligible for full-time employment during the summer.

Deadline for Applications: February 28, 2009 or until suitable candidates are selected.

Please send your resume, cover letter and NCAT application form to the address below. Make sure that your resume highlights your marketing skills.
