# 2005 Hurricanes Livestock Compensation Program

## Overview

USDA Farm Service Agency's (FSA) 2005 Hurricanes Livestock Compensation Program (LCP) provides payments to livestock owners and cash lessees (not both for the same livestock) for certain feed losses that resulted from 2005 hurricanes Katrina, Ophelia, Rita and Wilma. LCP also includes a catfish grant program through which states will distribute benefits to producers who suffered losses as the result of the 2005 hurricanes. Producers in certain counties of Alabama, Arkansas, Florida, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee and Texas may be eligible for the program.

The Emergency Agricultural Disaster Assistance Act of 2006 (the Act), enacted June 2006, authorizes LCP. Under the Act, USDA's Commodity Credit Corporation (CCC) will provide up to \$95 million in benefits to producers through LCP. FSA administers LCP on behalf of CCC.

## Eligible Counties

Eligible LCP counties are those declared natural disasters by Secretary Johanns or designated a major disaster or emergency by

President Bush for 2005 calendar-year hurricanes Katrina, Ophelia, Wilma or Rita. Counties contiguous to an approved county are also eligible. LCP losses in counties declared disaster areas resulting from Hurricane Dennis are not provided for in the 2006 Act. A complete list of eligible counties is provided at the end of this fact sheet.

## Eligible Livestock

To be eligible under LCP, livestock must:

- Be dairy cattle, beef cattle, buffalo, beefalo, equine, poultry, elk, reindeer, sheep, goats, swine or deer that;
- Have been physically located in an eligible county on the beginning date of the disaster period;
- Have been maintained for commercial use as part of a farming operation on the beginning date of the disaster period; and
- Not have been produced and maintained for reasons other than commercial use as part of a farming operation. Such excluded uses include, but are not limited to, wild free roaming animals or animals used for recreational purposes such as pleasure, hunting, pets or for show.

## Eligible Producers

To be eligible for LCP, agricultural producers must have:

- Either owned or cash-leased eligible livestock (but not both for the same livestock) on the beginning date of the disaster period; and
- Suffered a loss of feed from produced or purchased forage or feedstuffs which were (1) damaged or destroyed by an eligible hurricane; (2) physically located in an eligible county; and (3) intended for use as feed for eligible livestock.

## Payments

CCC calculates LCP payments by multiplying the national payment rate for each livestock category (listed below) by the number of eligible livestock in each category. The national payment rate represents the cost for corn needed to maintain the specific livestock for 30 days, as determined by CCC. Payment rates are listed on page 4 of this fact sheet.

Producers may not receive LCP payments if they previously received payments through federal programs for the same losses due to the hurricanes of 2005. CCC will reduce LCP payments by the amount the applicant received for the specific livestock under the Feed Indemnity Program.

The livestock categories are:

- Adult beef cows or bulls;
- Non-adult beef cattle;
- Adult buffalo or beefalo cows or bulls;
- Non-adult buffalo or beefalo;
- Adult dairy cows or bulls;
- Non-adult dairy cattle;
- Goats;
- Sheep;
- Equine;
- Reindeer;
- Elk;
- Poultry; and
- Deer.

Producers may receive no more than \$80,000 under LCP. An individual or entity whose adjusted gross income exceeds \$2.5 million is ineligible for LCP benefits.

In the event that total eligible LCP claims, including claims under the Catfish Grant Program, exceed the Act's \$95 million cap, each payment will be reduced by a uniform national percentage as determined by CCC.

### **2005 Catfish Grant Program**

Under the 2005 Catfish Grant Program, USDA will provide grants to states having catfish producers who suffered catfish feed losses. USDA will not administer the grant program. Governors or their designees will announce sign-up dates and application procedures for the catfish feed loss program and distribute program payments.

### **Sign-up**

Sign-up for LCP begins Dec. 11, 2006, and ends Feb. 2, 2007. Livestock producers must submit applications in the county where the eligible livestock were physically located on the applicable disaster date.

### **Applying for LCP**

Livestock producers applying for LCP must submit the following:

- A completed application in the county where the eligible livestock were physically located on the applicable date;
- Adequate proof, as determined by CCC, that the feed loss:
  - Was for the claimed eligible livestock;
  - Occurred as a direct result of an eligible hurricane during the disaster period;
  - Other supporting documentation necessary to determine the applicant's eligibility. Supporting documents may include, but are not limited to, verifiable purchase records; veterinarian records; bank or other loan papers; rendering truck receipts; Federal Emergency Management Agency records; National Guard records; written contracts; production records; Internal Revenue Service records; property tax

records; private insurance documents; sales records, and similar documents; and

- The application must be filed during the application period.

Other application guidelines include:

- Payments may be made for eligible losses suffered by an eligible producer who is now deceased, or by a dissolved entity if a currently authorized representative signs the application for payment. Proof of authority to sign for a deceased producer or dissolved entity must be provided. If a producer is a dissolved entity, all former members at the time of dissolution or their duly authorized representative(s) must sign the application for payment.
- Data furnished by the applicant will be used to determine eligibility for program benefits.
- A minor is eligible to apply for program benefits if all eligibility requirements are met and one of the following conditions exist:
  - The right of majority has been conferred upon the minor by court proceedings or statute;
  - A guardian has been appointed to manage the minor's property and the applicable program documents are executed by the guardian; or

- 
- A bond is furnished under which a surety guarantees any loss incurred for which the minor would be liable as an adult.
