Welcome to the United States Senate Committee on Agriculture Nutrition and Forestry. This text-only page contains links as a general outline of the Committee’s web site, as well as some suggested sources for accessibility software for the disabled.

Navigation bars throughout the web site use the free Flash software available for download by exiting the Senate site and going directly to Download Flash Software

Hearings of the Committee and its subcommittees are often available for live listening or viewing at the scheduled time, and in some instances may be available for replay. Free software may be downloaded by leaving the U.S. Senate website and going to the RealPlayer(TM) website.
For those who wish to attend the hearings, individuals with disabilities who require an auxiliary aid or service at committee meetings should contact the chief clerk or hearing clerk at 202-224-2035 no later than the 24 hours before a meeting.

Legislation as well as compilations of agricultural law provide an unofficial reference for issues under consideration by the Committee.
