SUBJECT: Distribution of the Public Law 95-113, Section 1444, Funding for
Extension Work at the 1890 Land-Grant Institutions, including Tuskegee
University and West Virginia State University for Fiscal Year 2006

Included in this e-mail transmission is the CSREES-OD-1088-(G), Distribution of the Public Law 95-113, Section 1444 Funds, for FY 2006. The distribution was calculated using the 2000 Census data.

A Planning and Reporting page has been established on our website to assist you in locating the requirements, due dates, and submission information for the Section 1444 formula funds and all other formula funds. The research and extension formulas are organized in groups for the three land-grant types: 1862 Land-Grant Institutions, 1862 Land-Grant Institutions in the U.S. Territories, and 1890 Land-Grant Institutions. Since funding continues to be contingent upon meeting planning and reporting requirements, you may want to have your administrative staff bookmark the following web link for easy access to fillable forms and due dates for all formula funds:

http://www.csrees.usda.gov/business/reporting/form_report.html

Additionally, we will continue to e-mail you important information regarding all of the formula funds you receive. This information is released in "Formula Funds Bulletins," which are maintained at our "Formula Funds News Updates" web page:

If you have any questions, please contact Arnita P. Cross, Staff Accountant, Policy, Oversight, and Funds Management Branch, Office of Extramural Programs, at 202-401-8982 or via e-mail to across@csrees.usda.gov.
