

# Office of Scientific and Technical Information U.S. Department of Energy

<http://www.osti.gov/bridge>

- Over 55,000 technical reports (3.5 million full-text pages) accessible and searchable
- Researchers downloading 2,500 reports weekly
- Winner of numerous honors and awards, including a Hammer Award

The screenshot shows the DOE Information Bridge website. On the left is a navigation menu with buttons for Contents, Home, What's New, Easy Search, Advanced Search, Help, Comments, and Disclaimer. Below the menu are links for DOE Home, OSTI Home, GPO Home, and EnergyFiles, along with the OSTI logo. The main content area features a graphic of a bridge with a yellow beam of light, the text 'DOE Information Bridge', and 'Department of Energy • Government Printing Office'. Below this is the slogan 'Bringing DOE Information to your desktop. . .' and a welcome message: 'The Department of Energy (DOE) welcomes you to the DOE Information Bridge. You now have over 2 million full-text pages at your fingertips!'. A paragraph describes the service: 'DOE Information Bridge, a component of EnergyFiles, provides free, convenient, and quick access to full-text DOE research and development reports in physics, chemistry, materials, biology, environmental sciences, energy technologies, engineering, computer and information science, renewable energy, and other topics.' A final line states: 'DOE is pleased to offer the American Public this new web tool through GPO Access, a service of the Government Printing Office (GPO). Public access to this system is the result of a longstanding'
