Dear Secretary LaHood:

I am pleased to provide you with Wisconsin's certification of the attached highway infrastructure projects under section 1511 of the American Recovery and Reinvestment Act. Specifically, pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Public Law 111-5 (February 17, 2009)) ("ARRA"), I hereby certify that the attached infrastructure investments funded with amounts appropriated by ARRA under the heading Highway Infrastructure Investment to the Federal Highway Administration have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars.

I further certify that the specific information required by section 1511 concerning each such investment is provided on the Wisconsin Statewide Transportation Improvement Program (STIP) and is available to the public at <http://wisconsin.recovery.gov> and linked to www.recovery.gov.

I understand that my State or local agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Sincerely,

A handwritten signature in black ink that reads "Frank J. Busalacchi".
