**DEPARTMENT OF EDUCATION**

**Notice of Proposed Information Collection Requests**

**AGENCY:** Department of Education.

**SUMMARY:** The Leader, Information Management Case Services Team, Regulatory Information Management Services, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

**DATES:** Interested persons are invited to submit comments on or before September 13, 2005.

**SUPPLEMENTARY INFORMATION:** Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Case Services Team, Regulatory Information

Management Services, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) Will this information be processed and used in a timely manner; (3) Is the estimate of burden accurate; (4) How might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) How might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: July 11, 2005.

## DEPARTMENT OF EDUCATION

### The International Research and Studies Program

**AGENCY:** Office of Postsecondary Education, Department of Education.

**ACTION:** Publication of the year 2004 annual report.

**SUMMARY:** The Secretary announces the publication of the annual report listing the books and research materials produced with assistance provided under section 605 of the Higher Education Act of 1965, as amended (HEA).

**SUPPLEMENTARY INFORMATION:** Section 605 of the HEA authorizes the International Research and Studies Program.

Under this program, the Secretary awards grants and contracts for—

(a) Studies and surveys to determine the needs for increased or improved instruction in foreign languages, area studies, or other international fields, including the demand for foreign language, area, and other international specialists in government, education, and the private sector;

(b) Studies and surveys to assess the use of graduates of programs, supported

under Title VI of the HEA, by governmental, educational, and private sector organizations and other studies assessing the outcomes and effectiveness of programs so supported;

(c) Evaluation of the extent to which programs assisted under Title VI of the HEA that address national needs would not otherwise be offered;

(d) Comparative studies of the effectiveness of strategies to provide international capabilities at institutions of higher education;

(e) Research on more effective methods of providing instruction and achieving competency in foreign languages, area studies, or other international fields;

(f) The development and publication of specialized materials for use in foreign language, area studies, and other international fields, or for training foreign language, area, and other international specialists;

(g) Studies and surveys of the uses of technology in foreign language, area studies, and international studies programs;

(h) Studies and evaluations of effective practices in the dissemination of international information, materials, research, teaching strategies, and testing techniques throughout the education community, including elementary and secondary schools; and

(i) Research on applying performance tests and standards across all areas of foreign language instruction and classroom use.

### 2004 Program Activities

In fiscal year 2004, 9 new grants (\$1,214,019) and 34 continuation grants (\$4,426,881) were awarded under the International Research and Studies Program.
