School Year****AGENCY:** Department of Education.

**SUMMARY:** The Secretary of Education (the Secretary) announces that the 1998–99 Amendments to the Federal Perkins Loan and National Direct Student Loan Programs Directory of Designated Low-Income Schools (the Directory) have been incorporated into the 1998–99 Directory currently available on the Department of Education's (the Department) website. Under the Federal Perkins Loan and National Direct Student Loan programs, a borrower may have repayment of his or her loan deferred and a portion of his or her loan canceled if the borrower teaches full-time for a complete academic year in a designated elementary or secondary school having a high concentration of students from low-income families. The 1998–99 Directory lists, on a State-by-State and Territory-by-Territory basis, the schools in which a borrower may teach during the 1998–99 school year to qualify for deferment and cancellation benefits. The Amendments to the Directory identify changes in the list of schools that qualify borrowers for teacher cancellation benefits under each of the loan programs.

**DATES:** The Amendments to the Directory are currently available in electronic format at (1) each institution of higher education participating in the Federal Perkins Loan Program, (2) each of the fifty-seven (57) State and Territory Departments of Education, (3)

each of the major Federal Perkins Loan billing services, (4) the U.S. Department of Education, including its regional offices, and (5) on the Internet at <http://www.ed.gov/studentaid>.
