SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994 (Title IV of the Improving America's Schools Act of 1994), (Pub. L. 103-382).

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress. The Board is responsible for selecting subject areas to be assessed, developing assessment objectives, identifying appropriate achievement goals for each grade and subject tested, and establishing standards and procedures for interstate and national comparisons. Under Public Law 105-78, the National Assessment Governing Board is also granted exclusive authority over developing Voluntary National Tests pursuant to contract number RJ97153001 and is required to review and modify the contract to the extent the Board determines necessary, if the contract cannot be modified to the extent the Board determines necessary, the contract shall be terminated and a new contract negotiated.

On March 5, there will be an open meeting of the Achievement Levels Committee from 2:00-4:00 p.m. The Committee will be reviewing the proposed final achievement level descriptions for the 1998 civics and writing assessments. On the Voluntary National Tests, the Committee will examine some of the policy issues related to achievement levels in math and reading.

Also on March 5, there will be two partially closed meetings: Subject Area Committee #1, and the Executive Committee. The Subject Area Committee will meet in open session, 2:00-3:00 p.m., to finalize plans for the report to the Full Board on the Voluntary National Tests specifications in 4th grade reading. In closed session, 3:00-4:00 p.m., the Committee will review the RFP for a NAEP Foreign Language Assessment. This portion of the meeting must be conducted in closed session because premature disclosure of the information presented for review might significantly frustrate a proposed agency action. Such matters are protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

During the open portion of the Executive Committee, 5:00-6:00 p.m., there will be presentations on the following activities: Voluntary National Tests; Reauthorization; Secondary Analysis Grants; and NAEP Redesign.

The Committee will then meet in closed session from 6:00-7:00 p.m., to continue discussion of cost estimates for NAEP and future contract initiatives. This portion of the meeting must be closed because public disclosure of this information would likely have an adverse financial effect on the NAEP program. The discussion of this information would likely to significantly frustrate implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

In addition, during the closed portion the Committee will be taking action on personnel appointments for the positions for Assistant Director of Test Development, and Assistant Director for Reporting and Dissemination. The Committee will discuss the qualifications of the individuals recommended for appointment. These discussions will relate solely to the internal personnel rules and practices of an agency and would disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy if conducted in open session. Such matters are protected by exemptions (2) and (6) of section 552b(c) of Title 5 U.S.C.

On March 6, the full Board will convene in open session at 8:30 a.m. The agenda for this session of the meeting includes remarks from the Washington State Superintendent of Schools, and an update on NAEP activities.

The Design and Methodology Committee, and the Reporting and Dissemination Committee will each meet in open session from 9:30-11:30 a.m. The Design and Methodology Committee will be reviewing the grant applications for the NAEP cycles 2000-2003, and a proposal for a NAEP 12th grade longitudinal study. On the Voluntary National Tests, the Committee will be focusing on the contractors linking proposal, and the pilot and field test design. The Reporting and Dissemination Committee will review plans for the schedule and release of upcoming NAEP reports, and the contractors proposed plan for reporting and utilizing the results of the Voluntary National Tests.

Subject Area Committees #1 and #2 will meet jointly from 9:30-11:30 a.m. The Committees will hear an update of the plans for the next NAEP assessments, as well as, schedule information on the current NAEP assessments in 1998.

The full Board will reconvene beginning at 11:30 a.m.-12:00 noon to

hear a briefing on the features of the redesign that have been detailed in the NCES grant applications for the next two cooperative agreements for conducting NAEP. These cooperative agreements will cover two operational aspects of NAEP: (1) Data collection, 2000-2003; and (2) development, scoring, analysis, and reporting. The Board will also consider matters related to the Voluntary National Tests which include hearing an overview of activities under the AIR contract through September, and a report, recommendations, and discussions on the math and reading specifications.

On March 7, the Nominations Committee will meet in open session from 7:30-9:00 a.m. The Committee will discuss modification of the calendar for the 1998 nominations process; prepare for the review of resumes; and set a date for finalizing committee recommendations.

Also on March 7, the full Board will meet from 9:00 a.m.-12:00 noon. The Board will hear comments regarding the Voluntary National Tests from the Executive Director of the Council of Great City Schools, and the Superintendent of the Seattle School District. Also, the Board will receive the reports of its committees.

Summaries of the activities of the closed sessions and related matters, which are informative to the public and consistent with the policy of Section 5 U.S.C. 552b(c), will be available to the public within 14 days of the meeting.

Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite 825, 800 North Capitol Street, N.W., Washington, D.C., from 8:30 a.m. to 5:00 p.m.

Dated: February 13, 1998.
