Abstract: The Early Reading First Program will provide grants to eligible local educational agencies (LEAs) and public and private organizations located in those LEAs to transform early education programs into centers of excellence to help young at-risk children achieve the language, cognitive, and early reading skills they need to succeed when they enter kindergarten. This notice sets eligibility standards and thresholds for LEAs on poverty, achievement, and school improvement status for the FY 2002 grant competition, and requests that States provide LEA data on achievement and schools in school improvement for the Department to use in identifying eligible LEAs.
