V. Application Review Information

1. *Selection Criteria:* The selection criteria for these programs are in 34 CFR 607.22.

2. *Review and Selection Process:* Additional factors we consider in selecting an application for an award are the tie-breaking situations described in 34 CFR 607.23. The Title III, Part A Program regulations require that we award one additional point to an application from an institution of higher education (IHE) that has an endowment fund for which the 2002-2003 market value per FTE student was less than the comparable average per FTE student at a similar type IHE. We also award one additional point to an application from an IHE that had expenditures for library materials in 2002-2003 per FTE student that were less than the comparable average per FTE student at a similar type IHE.

For the purpose of these funding considerations, an applicant must demonstrate that the market value of its endowment fund per FTE student and library expenditures per FTE student, were less than the average expenditure per FTE student when calculated using the data submitted by applicants for the year 2002-2003.

If a tie remains after applying the additional point(s), we will determine the ranking of applicants based on the lowest combined library expenditures per FTE student and endowment values per FTE student.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118 and 607.31.

4. *Performance Measures:* The Secretary has established the following key performance measures for assessing the effectiveness of the Title III, Part A Programs: (1) The percentage of Title III, Part A project goals relating to the improvement of academic quality that are met or exceeded will increase or be maintained over time. (2) The percentage of Title III, Part A goals relating to the improvement of student services and student outcomes that are met or exceeded will increase or be maintained over time. (3) The percentage of Title III, Part A project goals relating to the improvement of institutional management and fiscal stability that are met or exceeded will increase or be maintained over time.

Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

a. Electronic Submission of Applications.

Applications for grants under the Migrant and Seasonal Farmworkers Program—CFDA Number 84.128G must be submitted electronically using e-Application available through the Department's e-Grants system, accessible through the e-Grants portal page at: <http://e-grants.ed.gov>.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30 p.m., Washington, DC time, on the application deadline date. The e-Application system will not accept an application for this competition after 4:30 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The regular hours of operation of the e-Grants Web site are 6 a.m. Monday until 7 p.m. Wednesday; and 6 a.m. Thursday until midnight Saturday, Washington, DC time. Please note that the system is unavailable on Sundays, and between 7 p.m. on Wednesdays and 6 a.m. on Thursdays, Washington, DC time, for maintenance. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including the Application for Federal Education Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

If you are prevented from electronically submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail, or by hand

delivery. We will grant this extension if—

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2) (a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) The e-Application system is unavailable for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgement of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. Extensions referred to in this section apply only to the unavailability of the Department's e-Application system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the e-Application system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Department's e-Application system; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

V. Application Review Information

Selection Criteria: The selection criteria for this competition are in the application package.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial

expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* The Government Performance and Results Act (GPRA) of 1993 directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals. Program officials must develop performance measures for all their grant programs to assess their performance and effectiveness. The Rehabilitation Services Administration (RSA) has established the following performance measure for the Migrant and Seasonal Farmworkers Program and will use this measure to assess the effectiveness of the program.

- Percentage of individuals served who were placed in employment.

Each grantee must annually report on this measure in its annual performance report. In addition, the Migrant and Seasonal Farmworkers Program is part of the Administration's job training and employment common measures initiative. The common measures for job training and employment programs targeting adults are: Entered employment (percentage employed in the first quarter after program exit); retention in employment (percentage of those employed in the first quarter after exit that were still employed in the second and third quarter after program exit); earnings increase (percentage change in earnings pre-registration to post-program and first quarter after exit to third quarter after exit); and efficiency (annual cost per participant). The Department is currently working toward the implementation of these common measures. Each grantee will be required to collect and report data for the common measures when they are implemented.
