

The American Recovery & Reinvestment Act: Washington State Program Summary

Agency	Program	Federal funds	State funds	Fund type	Notes	Contact
Agriculture	Wildlife fire management	\$500m		Competitive		Dept. of Interior www.recovery.gov
	Hazardous fuels reduction	\$250		Competitive	For hazardous fuels reduction, volunteer fire assistance, forest health projects, city forest enhancements, and wood to energy grants on state and private lands.	WA Dept. of Ecology, Cullen Stephenson 360.902.1099
	US Forest Service	\$650m	\$12m	Competitive	For ready-to-go restoration and maintenance projects.	US Forest Service Al Matecko 503.808.2240
	Hazardous fuels	\$250m		Competitive	Hazardous fuels removal and other efforts to prevent wildfires on federal lands.	WA Dept. of Ecology, Cullen Stephenson 360.902.1099
	Watershed & flood prevention	290m		Competitive	Grants for state, local and tribal governments. For watershed improvement programs to design and build flood protection and water quality projects, repair aging dams, and purchase and restore conservation easements in river flood zones	WA Dept. of Ecology, Rob Spath, 360.407.6936 rspa461@ecy.wa.gov
	Watershed rehabilitation program	\$50m		Competitive	Grants for state, local and tribal governments. For ready-to-go dam rehabilitation projects that have reached the end of their engineering design life and can be fully paid for using appropriated funds.	WA Dept. of Ecology, Stephen Bernath 360.407.6459 sber461@ecy.wa.gov
	Special supplemental nutrition for women, infants, & children (WIC)	\$500m		Discretionary	For the supplemental nutrition program serving WIC of which \$400m is placed in reserve and allocated at the discretion of the Secretary.	
	Emergency Food Assistance Program	\$150m	\$2.1m	Discretionary	Allocations come in the form of food commodities, which are then distributed to local and non-profit direct-service agencies.	WA Dept. of General Administration, Kim Eads 253.593.2031 keads@ga.wa.gov
	Supplemental Nutrition Assistance Program (SNAP)	\$20b		Formula	To be distributed to individuals entitled to SNAP benefits. Increases benefit levels through September 30, 2009.	WA DSHS, John Camp 360.725.4616 campjx@dshs.wa.gov
	SNAP administration	\$295m	\$7.1m	Formula	To cover administrative costs associated with the benefit increase. 75% of funds based on share of households participating in SNAP for the most recent 12-month period for which data are available, and the remaining 25% allocated based on the state increase in households participating in SNAP for the same period.	WA DSHS, John Camp 360.725.4616 campjx@dshs.wa.gov
	Rural community facilities program	\$130m		Loans / grants	To support loans / grants for essential rural community facilities.	
	Rural water and waste disposal program	\$1.38b		Loans / grants	For the development of water and waste disposal systems in rural areas and towns with a population below 10,000.	WA Dept. of Ecology, Steve Carley 360.407.6572 stca461@ecy.wa.gov
	Rural business program	\$150m		Loans / grants	To support rural business loans and grants.	
	Rural utility services	\$2.5b		Loans / grants	For loans, grants, and loan guarantees for open access broadband infrastructure projects.	
	Agricultural research service	\$176m		Tbd	For maintenance work at ARS research facilities with priority to critical deferred maintenance work.	
	USDA building & facilities improvements	\$24m		Tbd	For priority repairs, modernization, and security improvements at USDA headquarters complex.	
Arts	National Endowment for the Arts	\$50m	\$323k	Formula / competitive	Grants for state and regional arts agencies For art projects that preserve jobs in the arts sector.	WA Arts Commission, Kris Tucker 360.586.2423, krist@arts.wa.gov
Commerce	Broadband Technology Opportunities	\$4.7b		Competitive	To accelerate broadband deployment to underserved areas and to expand computer capacity. Funding also available for State Broadband Data and Development Grant Program to improve and inventory broadband communications and services and to develop a nationwide broadband inventory map. 80-20 match subject to a waiver of grantee share. Available until 9/30/10.	WA Dept. of Info. Svcs., Tamara Jones, 360.902.3557 tamaraj@dis.wa.gov
	Habitat & fisheries restoration, marine debris mitigation projects	\$170m		Competitive	For ready-to-go projects that restore marine and coastal habitat, remove marine debris, and that improve resiliency to storms and flooding.	WA Recreation & Conservation Office, Rachael Langen, 360.902.3005 rachael.langen@rcow.wa.gov
	NOAA satellite development and acquisitions	\$600m		Tbd		
	Bureau of Census	\$1b		Tbd	For 2010 decennial census; \$250m for outreach efforts to hard-to-reach communities.	
Defense	Corps of Engineers	\$2b		Formula	For construction on projects that have already received federal funding.	
	Military Construction		\$2.3m	Formula	For operation and maintenance, Army National Guard	
	Corps of Engineers	\$2.075b		Tbd	For operation & maintenance for projects that can be completed with these funds	
	Corps of Engineers	\$25m		Tbd	For the Corps regulatory program	
	Dept. of Defense research	\$75m		Tbd	For research into using renewable energy to power weapons systems and military bases	
Education	School Improvement Programs	\$650m	\$43.6	Competitive	Technology grants for OSPI to pass through to local education agencies.	OSPI
	Teacher incentive fund	\$200m		Competitive	For institutions of higher education to develop and implement innovative principal and teacher compensation models.	HEC Bd.
	Teacher quality enhancement	\$100m		Competitive	To improve the quality of the teacher workforce including reforms in areas of alternative routes to teacher certification, preparation and licensing.	Professional Educator Standards Board, Jennifer Wallace
	Statewide data systems	\$250m		Competitive	To develop statewide longitudinal systems.	OFM, Irv Lefberg 360.902.0590 irv.lefberg@ofm.wa.gov
	State incentive fund	\$5b		Discretionary	New fund for the Secretary of Education to award incentive funds to those states that make key performance measures.	OFM
	Innovation fund	\$650m		Discretionary	Funds reserved for the Secretary to recognize local education agencies or schools that make significant gains to close the achievement gap. States are NOT eligible for these awards.	OFM
	Grants to governors for education	\$39.5b	\$819.9m	Formula	To support elementary, secondary and post-secondary education, and as applicable early childhood education programs and services.	OFM

The American Recovery & Reinvestment Act: Washington State Program Summary

Agency	Program	Federal funds	State funds	Fund type	Notes	Contact
	Grants to governors for other government services	\$8.8b	\$182.4m	Formula	Must be used for public safety and other government services.	OFM
	K-12 impact aid	\$100m		40% formula / 60% competitive	For school construction grants that are "shovel ready."	Superintendent of Public Instruction, Gordon Beck 360.725.6261 gordon.beck@k12.wa.us
	Title I	\$13b	\$135.3m	Formula	Formula grants to local education agencies for OSPI to pass through to local school districts	OSPI
	Special education	\$12.2b	\$238.2m	Formula	Grants for OSPI to pass through to local school districts for Individuals with Disabilities Education Act (IDEA) Part B \$221.3m, B-PreSchool \$8.4m, Part C \$8.4m.	OSPI
	School lunch program equipment assistance	\$100m	\$1.5m	Formula	For improvements in program equipment. States must distribute funds via competitive grants to local school food authorities with priority given to schools in which at least 50% of the students are eligible for free or reduced lunch.	Superintendent of Public Instruction, George Sneller 360.725.6200 george.sneller@k12.wa.us
	McKinney-Vento Homeless Assistance Act	\$70m	\$1.7m	Formula	Grants for OSPI to pass through to local education agencies for the education of homeless students.	OSPI
	Pell grants	\$15.64b	\$369m	Need-based grant	To increase the Pell grant award through a mix of discretionary and mandatory spending up to \$5,350 for the 2009-2010 school year.	HEC Bd.
	College Work Study	\$490m	\$3.3m	Need based scholarship	To support low and moderate income undergraduate and graduate students.	HEC Bd.
	Student aid administration	\$60m			To administer student loan and aid programs.	Contact your college or university.
Energy						
	Smart grid program	\$4.5b		Competitive	To implement programs authorized under Title XIII (smart grid) of the Energy Independence and Security Act and for other investments that modernize the electricity grid.	
	Advanced battery loans and grants	\$2b		Competitive	Grants for businesses for the manufacturing of advanced batteries & components.	
	Electric transportation	\$400m		Competitive	Grants for states, localities, & transportation authorities to encourage electric vehicle technologies.	WSDOT
	Alternative fuel vehicles pilot program	\$300m		Competitive	Grants for states and local governments to purchase alternative fuel vehicles under the Clean Cities program.	Stephanie Meyn 206.689.4055 pscleancities@psc.wa.gov
	Fossil energy research & development program	\$1b		Competitive		WSU, Todd Currier 360.956.2038 curriert@energy.wsu.edu
	Clean coal power initiative round III funding opportunity announcement	\$800m		Competitive		WSU, Todd Currier 360.956.2038 curriert@energy.wsu.edu
	Industrial carbon capture and energy efficient projects	\$1.5b		Competitive		WSU, Todd Currier 360.956.2038 curriert@energy.wsu.edu
	Site characterization activities in geologic formations	\$50m		Competitive		WSU, Todd Currier 360.956.2038 curriert@energy.wsu.edu
	Geologic sequestration training and research	\$20		Competitive		WSU, Todd Currier 360.956.2038 curriert@energy.wsu.edu
	Program direction funding	\$10m		Competitive		WSU, Todd Currier 360.956.2038 curriert@energy.wsu.edu
	Energy efficiency and renewable energy research development, demonstration & deployment	\$2b		Competitive	Grants for universities, companies and national laboratories Includes - for research, development, demonstration and deployment.	
	Science & research	\$1.6b		Competitive	Grants for Dept. of Energy science programs.	
	Advance research projects agency	\$400m		Competitive	To fund research that will reduce imports of energy from foreign countries and energy-related GHG emissions and improve energy efficiency across all sectors.	
	Energy efficiency and conservation block grants	\$3.2b	\$56m	Formula / Competitive	\$2.8 distributed by formula and \$400m distributed competitively. To help states & local governments make investments that make them more energy efficient and reduce carbon emissions.	CTED, Tony Usibelli 360.725.3118 energy_policy@cted.wa.gov
	State energy programs	\$3.1b	\$60.9m	Formula	To assist states in preparing and implementing comprehensive state energy conservation plans.	CTED – see above
	Weatherization assistance program	\$5b	\$59.5m	Formula	Grants for states to distribute to local energy programs to help low income families reduce energy costs by weatherizing their homes. Raises the eligibility income threshold and increase the lit on the amount of assistance from \$2,500 - \$6,500.	CTED, Steve Payne, 360.725.2950 stevep@cted.wa.gov
	Smart appliances	\$300m		Rebates	To provide consumers with rebates to replace old appliances with energy efficient "energy smart" products.	
	Energy - worker training	\$100m		Tbd		
	Energy - Study of future demands and transmission requirements	\$80m		Tbd		
	Energy - Technical assistance			Tbd	Requires FERC to provide technical assistance to sates, regional reliability entities, the North American Electric Reliability Corp., and other transmission owners and operators for the formation of interconnection based transmission plans.	
	Smart grid interoperability framework	\$10m		Tbd		
	Western area power administration	\$3.25b		Tbd	To increase borrowing authority.	
	Bonneville Power Administration	\$3.25b		Tbd	To increase borrowing authority.	
	Innovative technology loan guarantees	\$6b		Tbd	Loan guarantees that fund a variety of energy projects including next generation nuclear, clean coal, and renewable.	
	Non-defense environmental clean-up	\$483m		Tbd		
	Uranium enrichment decontamination & decommission fund	\$390m		Tbd		

The American Recovery & Reinvestment Act: Washington State Program Summary

Agency	Program	Federal funds	State funds	Fund type	Notes	Contact
	Defense environmental cleanup	\$5.1b	\$1.7b	Tbd	Accelerates the US Dept. of Energy cleanup of 80 square miles of contaminated groundwater and reducing the surface contaminated and security restricted areas at Hanford Nuclear Site.	WA Dept. of Ecology, Jane Hedges 509.372.7905 jhed461@ecy.wa.gov
Environment	Diesel emissions reduction	\$300m		Competitive & formula	Grants for states, local, tribal governments & ports for projects that reduce diesel emissions. State grant / loan program matching provision is waived.	WA Dept. of Ecology, Paige Boule 360.407.6646 pbou461@ecy.wa.gov
	Brownfields	\$100m		Competitive	Grants for states, local governments, land clearance authorities & regional authorities for the evaluation and cleanup of former industrial & commercial sites	CTED, Nick Demerice 360.725.4178 nickd@cted.wa.gov
	Leaking underground storage tanks	\$200m	\$3.5m	Competitive	For enforcement and cleanup of petroleum leaks from underground storage tanks. Waives state matching requirement.	WA Dept. of Ecology, Mike Blum 360.407.6913 mblu461@ecy.wa.gov
	Drinking water	\$2b	\$41.8m	Competitive	For grants to public water systems for capital improvements aimed at increasing public health protection and to provide a source of funds for other Safe Drinking Water Act activities.	WA Dept. of Ecology, Kristin Bettridge 360.236.3166 kristin.bettridge@doh.wa.gov
	Clean water state revolving fund	\$4b	\$68.7m	Formula	Loans to help communities upgrade wastewater treatment systems	WA Dept. of Ecology, Steve Carley 360.407.6572 stca461@ecy.wa.gov
	Superfund hazardous waste cleanup	\$600m		Tbd	To clean up hazardous and toxic waste sites	WA Dept. of Ecology, Jane Hedges 509.372.7905 jhed461@ecy.wa.gov
General Services Admin.	Green buildings	\$4.5b		Tbd	To convert GSA facilities into high performance green buildings	
	Office of High Performance Green Buildings	\$400m		Tbd		
	Efficient fleets	\$300m		Tbd	To replace older vehicles owned by the federal government with alternative fuel automobiles	
Health & Human Services	Temporary Assistance for Needy Families	\$5b	\$97.9m	Block grants	Emergency contingency block grants, distributed quarterly; for increases in caseloads, expenditures related to non-recurrent short term benefits or expenditures for subsidized employment.	DSHS, Mickie Coates 360.902.8077 coatems@dshs.wa.gov
	Health Information Technology (HIT) national database	\$2b		Competitive	To create a national medical record database.	
	Health Information Technology planning and implementation			Competitive / discretionary	For planning or implementation to assist with and expand adoption of HIT.	
	Electronic health record technology loan programs			Competitive	To allow eligible states or Indian tribes to establish a certified electronic health record technology loan fund.	
	Infection prevention	\$50m		Competitive	To implement healthcare associated infection prevention strategies.	
	National Institute of Standards & Technology R&D programs	\$360m		Competitive	Grants for universities or research institutions to establish multidisciplinary centers for health Care Information Enterprise Integration.	
	Construction of state veteran extended care facilities	\$150m		Competitive	For acquisition and construction of veterans extended care facilities and for modernization of existing facilities.	
	Community health centers	\$1.5b	\$10.6m	Competitive	For construction, modernization, health information technology improvements at federally qualified health centers.	
	Community health centers	\$500m		Competitive	For Federally qualified health centers services and operations.	
	Head Start	\$2.1b	\$10m	Competitive	For Head start and early Head start programs. Funding is to sustain FY 2009 awards through FY 2010.	WA Dept. of Early Learning, Amy Blondin 360.725.4919 communications@del.wa.gov
	National Center for Research Resources	\$1b		Competitive	For the construction, renovation, and repair of non-federal research facilities.	
	Indian health service facilities	\$727m		Competitive	To modernize hospitals and health clinics and make healthcare technology upgrades in underserved rural areas	
	Immunization	\$300m		Discretionary	To administer an immunization program in partnership with health care providers in the public and private sectors, including state and local health departments and clinics.	WA Dept. of Health, Janna Bardi, 360.236.3568 janna.bardi@doh.wa.gov
	FMAP	\$87b	\$1.695b	Formula	To maintain Medicaid programs	DSHS, Roger Wilson 360.902.8181
	Child care development block grant	\$2b	\$33.4m	Formula	To provide child care services for children in low-income families	WA Dept. of Early Learning, Amy Blondin 360.725.4919 communications@del.wa.gov
	Community Services block grant	\$1b	\$11.8m	Formula	To local communities to support employment, food, housing, and healthcare efforts serving those most impacted by the recession.	WA CTED, Rick Torrance 360.725.2856 richardt@cted.wa.gov
	Child support enforcement	\$1b	\$14.4m	Incentive grants	To encourage states to develop and implement effective child support enforcement programs. Represents a temporary two-year fix of the federal child support incentive match previously repealed in the Deficit Reduction Act of 2005.	
	Disproportionate share hospitals program	\$11.33b	\$4.5m	Increase in allotment	Temporary 2.5% increase in the state Medicaid DSH allotment FY 2009 and 2010	
	Federal oversight of Medicaid funds	\$31.25m		Tbd	To ensure proper expenditure of federal Medicaid funds	
Centers of Medicare and Medicaid services	\$5m		Tbd	For implementation and oversight of the state fiscal relief provisions related to Medicaid		
Medicaid regulations			Tbd	Delays or addresses several Medicaid regulations		
Transitional medical assistance			Tbd	Extends the Medicaid transitional medical assistance option for 18 months		
Qualifying individual program extension			Tbd	Extends the qualifying individual program through December 2010		
Medicaid provisions impacting American Indians			Tbd	Includes provisions impacting health care for American Indians		
COBRA healthcare for the unemployed			Tbd	Entitles individuals to continue access to COBRA health plans		
COBRA continuation subsidy			Tbd	Available to individuals involuntarily separated from their employer on or after 9/1/2008 and before 1/1/2010.		

The American Recovery & Reinvestment Act: Washington State Program Summary

www.recovery.wa.gov

Agency	Program	Federal funds	State funds	Fund type	Notes	Contact
	Eligible COBRA plans			Tbd	Continuation coverage is required to be offered by employer or under a state program that provide comparable coverage received under a former employer.	
	Health Information Technology provider incentives	\$17b		Tbd	Incentives for Medicare and Medicaid providers. \$63,750 per Medicaid provider	
	Evidence-based clinical and community-based prevention and wellness strategies	\$650m		Tbd	To deliver measurable health outcomes that address chronic disease rates.	
	National Center for Research Resources	\$1b		Tbd	For construction, renovation and repair of non-federal research facilities.	
	Healthcare effectiveness research	\$1.1b		Tbd	To speed development and dissemination of research assessing the comparative effectiveness of health care treatments and strategies.	
	National Health Service Corps	\$300m		Tbd	For recruitment and field activities.	
	Healthcare workforce development	\$200m		Tbd	For primary care medicine, dentistry, public health and preventative medicine program, scholarships and loan repayment programs and cross-state licensing.	
	Aging services programs	\$100m	\$2.5m	Tbd	Grants for state and local governments to fund senior meals program - \$65m for congregate nutrition services; \$32m for home-delivered nutrition services; \$3m for Native American nutrition services.	WA DSHS, Bea Rector 360.725.2527 rectorbme@dshs.wa.gov
	Unspecified spending	\$50m		Tbd	Unspecified spending under Section 110 of the Social Security Act	
Homeland Security	FEMA firefighters assistance grants	\$210m		Competitive	Grants for fire stations to construct or modify state and local fire authorities	
	Public transportation and railroad security assistance	\$150m		Competitive	Grants for public transportation agencies, states & local agencies, rail carriers, owners of rail cards, Amtrak & officers of security sensitive arterials who ship by rail	WSDOT
	Emergency food and shelter grants	\$100m	2.4m	Competitive	To provide food and shelter to homeless individuals under the McKinney-Vento Homeless Assistance Act.	DSHS
	Port security grants	\$150m		Risk-based grants	Risk-based grants for port security	WSDOT
Housing	Neighborhood stabilization fund	\$2b		Competitive	Grants for states, local governments, and non-profit entities to purchase and rehabilitate foreclosed vacant properties and help create affordable housing and stabilize neighborhoods. Grantees must expend 50% of funds within two years of receipt, and 100% within three years. Available until 9/30/10.	WA CTED, Bill Cole 360.725.3005 billc@cted.wa.gov
	Lead hazard reduction program	\$100m	\$7m	Competitive	Grants for local governments and non-profits for lead-based paint removal. Available until 9/30/11. State of WA - \$3m, City of Spokane - \$2.8m, King Cty. Hsg. \$875k	
	Low income housing projects – election to substitute grants in lieu of low-income housing credit	\$2.25b	\$43m	Competitive	Grants for public housing authorities to build and rehabilitate low-income housing. Priority to capital projects that can award contracts based on bids within 120 days from when funds are made available to the PHA's. All funds must be expended within three years.	WA Housing Finance Comm. Steve Walker, 206.287.4467 steve.walker@wshfc.org
	Homelessness prevention fund	\$1.5b	\$24.1m	Formula	For short-term rental assistance, housing relocation, and stabilization efforts. Funds must be expended within three years of award.	Annie Conant 360.725.2919 anniec@cted.wa.gov
	Community development block grant	\$1b	\$32.1m	Formula	Formula grants to states and local entitlement communities that received funding in FY 2008. Available until 9/30/10.	WA CTED, Bill Cole 360.725.3005 billc@cted.wa.gov
	Public housing capital fund	\$4b	\$40.5m	Formula and discretionary		Contact your local housing authority
	Project-based rental assistance	\$2b	22.4m	Formula	Grants to property owners for 12-month periods in form of project renewals.	
	Energy & green retrofit investments	\$250m		Grants & loans	Grants to property owners for energy retrofitting and green investments in assisted housing.	
Interior	Historic Preservation Fund	\$15m		Tbd	Grants to states with historically black colleges and universities for historic preservation projects at historically black colleges and universities.	
	Bureau of Land Management	\$125m		Tbd	For management of lands and resources	
	Fish & Wildlife Service	\$115m		Tbd	For construction projects, including projects on National Wildlife Refuges and National Fish Hatcheries	
	Fish & Wildlife Service	\$165m		Tbd	For resource management	
	US Geological Survey	\$140m		Tbd	To repair and modernize USGS science facilities and equipment	
	Bureau of Land Management	\$180m		Tbd	For construction projects, including priority road, bridge and trail repair or decommissioning; deferred maintenance; facilities construction and hazardous fuels reduction.	
	National Park Service	\$146m		Tbd	For the operation of the national park system	
	National Park Service	\$589m		Tbd	For construction projects in the National Parks	
	Water resources projects	\$1b		Tbd	For capital improvement projects, including funds to provide reliable drinking water to rural areas, and for water reuse and recycling projects to ensure adequate water supply to western localities impacted by the drought.	
Justice	Community Oriented Policing Services (COPS) grants	\$1b		Competitive	To support hiring of additional law enforcement officers.	Dept. of Justice www.recovery.gov
	Byrne competitive grants	\$225m	\$36.7m	Competitive	Grants for state, local and tribal governments to support crime prevention, improve the administration of justice, provide services to victims of crime and other activities. Available until 9/30/10. \$75,000 per officer cap is waived. No administrative costs can be deducted.	WA CTED, Bill Johnston 360.725.3030 billj@cted.wa.gov
	Internet crimes against children	\$50m	\$7m	Competitive	Grants for states and local law enforcement to enhance investigative responses to predators using the internet or other technology to sexually exploit children.	City of Seattle, Cpt. Gregory Ayco 206.684.8660 gregory.ayco@seattle.gov
	Tribal law enforcement assistance	\$225m		Discretionary	To be distributed to American Indian and Alaska Native Tribes.	WA CTED, Bev Emery 360.725.2886 beve@cted.wa.gov

The American Recovery & Reinvestment Act: Washington State Program Summary

Agency	Program	Federal funds	State funds	Fund type	Notes	Contact
	Preventing violence against women	\$225m	\$2.9m	Formula	No administrative costs can be deducted. Funds available until 9/30/10.	WA CTED, Bev Emery 360.725.2886 beve@cted.wa.gov
	Crime victims assistance grants	\$47.5m	\$1m	Formula	To support state compensation and assistance programs for victims and survivors of crime.	WA CTED, Bev Emery 360.725.2886 beve@cted.wa.gov
	Rural law enforcement grants	\$125m		Formula	Grants to law enforcement in rural states and rural areas to combat drug-related crime in rural areas. Funds can be used to hire police officers and for community drug prevention and treatment programs.	WA CTED, Bev Emery 360.725.2886 beve@cted.wa.gov
	Victims compensation	\$47.5m	\$9m	Formula	Grants to eligible state agencies that administer VOCA-funded crime victim compensation programs to support the provision of crucial financial assistance to victims of crime	WA Labor & Industries, Cletus Nnanabu 360.902.5340 nnan235@lni.wa.gov
Labor	High growth and emerging industry sectors	\$750m		Competitive	For worker training and job placement in high growth and emerging industry sectors. Prioritized for research, labor exchange and training in energy efficiency and renewable energy sectors, remaining prioritized for health care sector training. Available through 6/30/10.	Employment Security Dept., Paul Trause 360.902.9304 ptrause@esd.wa.gov
	Dislocated workers Assistance national reserve	\$200m		Competitive	For national emergency grants with an emphasis on serving areas of high unemployment or high poverty and providing income and support services necessary for an individual to participate in job training.	Employment Security Dept., Paul Trause 360.902.9304 ptrause@esd.wa.gov
	YouthBuild	\$50m		Competitive	Grants help at-risk youth gain education and occupational credentials while building or rehabilitative housing.	Employment Security Dept., Paul Trause 360.902.9304 ptrause@esd.wa.gov
	TAA for communities	\$150m		Competitive	To undertake projects to adjust to the impact of trade. An eligible community may apply for a grant no to exceed \$5m by submitting a description of its strategic plan to adjust to trade and the particular project to be funded (5% match required). Communities may also apply for grants to help develop the strategic plan.	St. Bd. For Community & Technical Colleges
	Full federal funding of extended UI benefits for a limited period			Cost-sharing waived	Temporarily eliminates state cost-sharing for extended UI benefits for states that are eligible for extended benefits under the EUCA from date of enactment through January 1, 2010.	Employment Security Dept., Paul Trause 360.902.9304 ptrause@esd.wa.gov
	Community service employment for older Americans	\$120m	\$1.6m	Discretionary	To provide worker training to Americans over 55.	WA DSHS, Bea Rector 360.725.2527 rectobme@dshs.wa.gov
	TAA – sector partnership grant	\$90m		Discretionary	To strengthen and revitalize industries and create employment opportunities for workers in communities impacted by trade.	
	TAA – Community college & career training grant	\$90m		Discretionary	To eligible institutions for the purpose of developing, offering, or improving educational or career training programs for workers who are eligible for training.	St. Bd. For Community & Technical Colleges
	Corporation for National & Community Service	\$154m	\$6m	Discretionary	For increases to AmeriCorps grants and for the AmeriCorps VISTA program.	WA Comm. for Natl & Comm. Svc.
	Extension of unemployment compensation benefits			Drawn down from federal account	Provides for the continuation of temporary, extended unemployment benefits of 20 weeks for all eligible individuals who exhaust state benefits, and an additional 13 weeks for individuals living in states with a high rate of unemployment.	Employment Security Dept., Paul Trause 360.902.9304 ptrause@esd.wa.gov
	Rehabilitation Services & Assistance	\$540m	\$10.4m	Formula	For state vocational rehabilitation services to serve people with disabilities.	DSHS
	Rehabilitation Services & Assistance	\$140m	\$1m	Formula	For programs that support independent living, centers for independent living, and services for older individuals who are blind.	DSHS
	Dislocated worker program	\$1.25b	\$22.1m	Formula	For training and reemployment services for dislocated workers. Available through 6/30/10.	Employment Security Dept., Paul Trause 360.902.9304 ptrause@esd.wa.gov
