Time Line for use: Not yet announced.

Details: ARRA - page 68.

These are believed to be additional funds for the program described at:

<http://www.ed.gov/programs/edtech/index.html>

The primary goal of this program is to improve student achievement through the use of technology in elementary and secondary schools. Additional goals include helping all students become technologically literate by the end of the eighth grade and, through the integration of technology with both teacher training and curriculum development, establishing research-based instructional methods that can be widely implemented.

Program Title: **State Fiscal Stabilization Fund**

Short Description: Funds must be distributed 81.8% for Education and 18.2% funds for public safety and general government, which may include education.

Appropriation nationwide: \$53,600,000,000

Estimated New Hampshire Funds: \$200,787,230

Granting Agency: US Department of Education

Managing Agency: Governor's Office (Department of Education)

Status: Guidance issued April 1, 2009

Award Criteria: The amount appropriated to the State is based on:

- 61% on basis of relative population of individuals aged 5 through 24;
- 39% on basis of relative total population;
- State must maintain effort supporting education K-12 and public higher education at SFY06 level.

Use by: Uncommitted funds as of two years following receipt must be returned to the Secretary of Education.

Details: ARRA - Page 165
81.8% funds. These funds must be spent on education.

First funds must be used to achieve K-12 SFY08/09 levels of support;

If funds remain, then funds must be used to phase in adequacy or equity adjustments adopted prior to October 1, 2008;

And to achieve public higher education SFY08/09 levels of support; then

Any remaining funds must be used for sub-grants to be distributed to K-12 schools in proportion to their Title I allocation.

18.2% funds. The Governor shall use these funds for public safety and other government services, which may include assistance for elementary and secondary education and public institutions of higher education, and for modernization, renovation, or repair of public school facilities and institutions of higher education.

All information is the best available as of 4/01/09 and is subject to change. Estimated funds may change significantly as federal agencies finalize allocations and/or competitive grants are awarded.

New Hampshire Implementation -American Recovery and Reinvestment Act of 2009

Program Title: **National Endowment for the Arts**

Short Description: Fund arts projects and activities that preserve jobs in the non-profit arts sector threatened by declining support.

ARRA Appropriation nationwide: \$50,000,000

Estimated New Hampshire Funds: \$293,100 (State 40% allocation)

Granting Agency: National Endowment for the Arts

Managing Agency: Department of Cultural Resources, NH State Council on the Arts

Status: Prior grant awardees seeking competitive grants from the 60% allocated to competitive grants should register/re-register now. Follow NEA web site instructions.

Award Criteria:

- - 40% of funds distributed to state and regional arts agencies in a manner similar to current practice
 - 60% of funds for competitively selected arts projects and activities – restricted to grant awardees in past four years
 - Matching requirements waived

Time Line: State Grant guidelines received March 2, 2009, State application due by March 13, 2009.

Details: ARRA - page 57-58.

Program Title: Education for the Disadvantaged – Special Education – Infants and Toddlers with disabilities (IDEA Part C – Grants for Infants and Families)

Short Description: To enhance the development of infants and toddlers (birth to three) with disabilities and support families in meeting the special needs of their child.

ARRA Appropriation nationwide: \$500,000,000

Estimated New Hampshire Funds: \$2,139,843

Granting Agency: U.S. Department of Education

Managing Agency: N.H. Department of Health and Human Services

Status: Guidance issued April 1, 2009

- Award Criteria: NH anticipates that the additional grant amount may include the same restrictions as apply to the annual Part C Grant Award.
- To comply with the likely Maintenance of Effort requirements, BDS would propose that any additional Part C funds be used to fund:
 - Intensive Autism Services to 60 children at an estimated cost of \$1,080,000. This would save \$180,000 in General Funds(GF) requested in the Maintenance budget;
 - Early Intervention services to 169 children in FY 2010 saving \$160,635 in GFs requested in the Maintenance budget;
 - A temporary inflation rate increase of \$343,394. which would save \$183,209 in GFs requested in the FY 2010 Maintenance Budget request;
 - Data collection enhancement with improved IT capacity at an estimated cost of \$200,000.
 - Child find capacity enhancement at an estimated cost of \$50,000;
 - Personnel development at an estimated cost of \$100,000; and

Enhanced Family Support Services for those children/families receiving Early Intervention services at an estimated cost of \$100,000

Award Criteria: Not yet announced.

Time Line for use: Not yet announced.

Details: ARRA - page 69.
