Life Sciences Diversity Conference

TUESDAY, May 12th – WEDNESDAY, May 13th, 2009

Diversity Alliance for Science, Inc. (DA4S)—a non-profit organization created to develop, support and mentor diverse life-science businesses—presents: “DIVERSITY Will Drive Our Scientific Future.”

- Forge mutually beneficial relationships between diverse businesses, government agencies, pharmaceutical firms, biotech companies and academic medical centers.
- Collaborate on “best practices” to foster the inclusion of diverse businesses in clinical trials and scientific research.
- Improve therapeutics and advance healthcare for customers and for our community.

This conference is a **MUST** for SDB-, HubZone-, minority-, women-, veteran-, LGBT- and disabled-owned businesses to attend.
